## BIG YIELD OF POTATOES

FROM 50 POUNDS SUMMERVILLE  
MAN RAISES 2760 POUNDS.

Corn, Too, Grows Prolific on Mr. Hunter's Ranches.

Summerville, Nov. 18.—To the Editor: I have seen a good deal in your paper about big yields of corn and potatoes, but I think that I can come up to any of them on potatoes. Last Spring I bought 50 pounds of potatoes of the Wisconsin Rural variety and from them I raised 2760 pounds. How is that for a yield? As for corn, I have the field corn, or the Squaw variety. It raises lots of stalk with three good ears on the stalk, while some have as high as four. All is good and hard. I still have them and can show them to any one wishing to see them.

W. L. HUNTER.

## LADD CANYON NEWS ITEMS

FOOT OF SNOW AT HEAD OF DEEP CANYON.

Many New Bridges Being Built—Will Have Thanksgiving Program.

Ladd Canyon, Nov. 18.—(Special.)—Our first snow which fell during last Friday night and Saturday, measures a depth of four inches, while in Upper Ladd Canyon it was very nearly a foot deep.

The pupils of the Ladd Canyon school are engaged in preparing a Thanksgiving program to be given at the school house on the evening of Nov. 27. (Saturday.) All are invited to come and enjoy themselves.

A number of the farmers are killing their hogs this week.

Most of the new bridges which are being built over various branches of Ladd Creek, under the supervision of L. W. Drumsmith, are finished.

The new planing mill by the railroad track which has recently been equipped, has been running for several days.

It is a hard but a good law of fate that as ever evil, so every excess power wears itself out.—Herder.

The Completeness of our records.

We have one index that leads with unflinching accuracy to every recorded transaction affecting the title of any lot or parcel of land in the county.

It is a dragnet which nothing can escape.

To get this information from the public records at the court house would be like hunting a needle in a hay stack.

You could never know when your search was ended.

Besides this index we have all the necessary modern helps to finding out things about the title—taxes, judgment, liens, decrees and the like.

All right here under one roof—no need to go any further.
