### YOU WILL FEEL FINE,

Out of Order Kidneys Act Fine and Backache Goes After Taking Several Doses.

The most effective and harmless way to cure backache and regulate out-of-order kidneys, or end bladder trouble, is to take several doses of Pape's Diuretic.

You will distinctly feel that your kidneys and urinary organs are being cleaned, healed and vitalized and all the miserable symptoms, such as backache, headache, nervousness, rheumatism and darting pains, inflamed and swollen eye lids, irritability, sleeplessness or suppressed, painful or frequent urination (especially at night) and other distress, leaving after taking the first few doses.

The moment you suspect any kidney or urinary disorder or rheumatism, begin taking this harmless preparation as directed, with the knowledge that there is no other medicine, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure as a fifty cent treatment of Pape's Diuretic, which any druggist can supply.

Your physician, pharmacist, banker, or any mercantile agency will tell you that Pape, Thompson & Pape of Cincinnati is a large and responsible medicine concern thoroughly worthy of your confidence.

Don't be miserable or worried another moment with a lame back or clogged, inactive kidneys or bladder misery. All this goes after you start taking Pape's Diuretic and in a few days you feel and know that your kidneys, liver and urinary system are healthy, clean and normal and all danger is past.

Accept only Pape's Diuretic—fifty cent treatment—from any drug store, anywhere in the world.

## EGG SUPPLY TOO SMALL

POULTRYMEN'S ASSOCIATION HAS HOPES OF A REMEDY.

Like Country Butter there is Never Enough For Markets.

One of the lines of work to be taken up by the local poultrymen's association, according to the members who were present at the meeting Saturday is to be the co-operation in securing the right lines and plenty of the right kinds of food for the hens. It has been almost impossible for any dealer to afford to carry a stock of foods as the orders were too uncertain. Through the association the members will all work together in ordering and can get what they want and in whatever quantity desired.

As is the case with country butter, the members express the idea that they had a constant demand, more than they could supply from their eggs from regular customers. This continues almost the year around this leads to the knowledge that there is room for the production of many more times the present output of eggs and country butter than is now being produced. It is only the man who has a regular producer in his strain who can produce these products during the winter and spring.

Those wishing to be sure of getting their pumpkin and mince pies and fancy cakes from the ladies of the Presbyterian church on Wednesday, November 24, will please phone their orders to Black 1812 on or before Wednesday morning.
