HOWARD HEATING STOVES

Howard wood and coal grates will burn either wood or coal

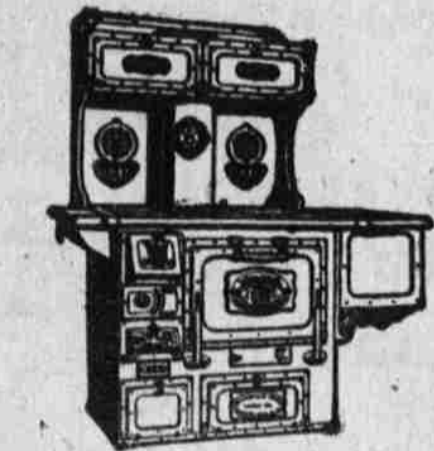

Have wood and coal grates that burn either wood or coal. No one expects to buy strictly high grade goods at the price of "cheap stuff," but some think that a high price guarantees high quality. Don't make the mistake in buying a range. Many ranges of ordinary construction are priced high or even higher than the incomparable Monarch.

WHEN YOU BUY A RANGE

Find out what it is made of. You have a right to know these things. Any man selling ranges who says, "Our range is a fuelsaver—a perfect baker," and stops here, casts a reflection on your intelligence. If these things are true of any range, there is a reason for it—a reason you can see and understand—a reason you have a right to know before buying.

We can show in a Monarch range exactly why it does what we claim. Come and see how the Malleable Iron and steel plates are riveted solidly together, insuring a tight range for unlimited time. Let us explain how tight, permanent seams are possible only in ranges where Malleable Iron is used. We can show you how tight, solid construction is necessary to everything you want most in your new range—prompt, sure service—long life—and fuel economy.

More Good Things to Eat.

It is past Thanksgiving, but those good things to eat at the City Grocery. It makes a man's hungry just to look in at the windows and a sight of those Swift Sugar cured Hams and breakfast bacon brings a smile to the face of the most stoic that is a counterpart of the one that President Taft generally wears. It is purely a case of imagination, and realization. You see the hams, imagine you can taste them and the next thing you know you will have realized your wish by having them on your table.

Ladies Attention.

Mrs. M. H. Holmes will open ladies' hairdressing, manicuring and massage parlors in Mrs. Smith's Millinery store on Adams Avenue. Ladies are invited to call and get acquainted. Manicuring free all day Monday.

Appreciates Generous Patronage.

The Ladies Aid Society of the M. E. church desire to express their thanks to the many who were present last evening at the entertainment given by Miss Allen.

"Polly Primrose" at the Pastime.

One of the prettiest southern comedy dramas ever witnessed will be presented for the last time tonight at the Pastime. Miss Manderville as "Polly" and Miss Wolf as Aunt Caroline are excellent and the rest of the cast is up to the usual high standard. Tomorrow night a brand new comedy, "The Corner Grocery," will be seen for the first time in La Grande.

SOCIETY.

Social history for the ending week is told in the circumstances pertaining to the opening party given by the La Viellesse club, ie, the older set, at the Elk's club last evening. The city's fashionable circles were largely represented from older and younger elements alike and notwithstanding that the membership of the club is primarily mesdames and messers, the limited number of invitations sent out, included many of the messers and misses of the younger set. The Le Jaunesse club were guests of the hosts and hostesses. It is doubtful if a more delightful dancing party has been arranged here this season. The second party under this club's management is December 10, and is looked forward to with interest. The third and last party will be given at a later date. Following the extremely popular debut, hosts, hostess and guests lunched at the Model restaurant.

A large crowd last evening listened to a very delightful entertainment at the Christian Church when home talent was on the rostrum. Miss Allen's readings were clever and the vociferous applause spoke of the reception that it got from the audience. Other numbers from local people aided to make it deeply interesting from start to finish. The M. E. Church Aid society is congratulating itself today on the success of the affair which it fostered.
