Money Comes in Bunches.

to A. A. Chrisholm of Treadwell N. Y., now... His reason is well worth reading: "For along time I suffered from indigestion, torpid liver, constipation, nervousness and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old time health and vigor. Balky Deeds.

You all know about balky horses. You know the fellow who bought them from the drovers, only to find

out afterwards that his team balked. Bought without first trying them.

Was he more foolish than the man who paid the last dollar on the price of a tract of land without first looking up the title?

The search that he afterwards made showed a shaky and defective title—full of balky deeds, conveyances that do not convey—a complete break in the chain.

We will furnish the abstract either before or after you buy the land.
