SLIGHT FIRE ON MADISON

MC COY RESIDENCE IS SLIGHTLY DAMAGED BY BLAZE.

Bucket Brigade Extinguishes Blaze in the Roof. —Damage Small.

The McCoy residence on the North side was slightly damaged by fire this morning when a defective flue ignited the roof near the flue. The department was called but the location of the fire was such the use of a bucket brigade effectively extinguished the flames and avoided damaging the interior of the house. The loss is trifling and is covered by insurance.

How about plates? If you stop to think you will say that. I have never asked for plate work for I have not had time to take care of any more than would naturally come to the office. However, I have an experienced laboratory man now to assist me and am rather anxious to show you what we can do toward fitting plates for you. Of course you know that we will not turn out anything but the best and that at a reasonable price. We simply guarantee to make the best plates made and make them to fit.

Very truly yours,
J. F. STEVENSON, D. D. S.
