CHAUTAUGUA MATTERS UP

CHICAGO REPRESENTATIVE HERE TO TALK PROGRAM.

Has Attraction Which is Headed by Ex-Governor Folk of Missouri.

Chautauqua propoganda was again fermented in La Grande today when Mr. Glosup, representing the Chautauqua Managers Association of Chicago, held a consultation with President Collier and Publicity Agent Currey relative to booking in a program here for next summer, headed by ex-Governor Folk of Missouri.

The conference thus far has been entirely informal but it is likely that one of the first matters to be transacted by the new administration will be

the acceptance or rejection of this program. Mr. Glosup has outlined the cost and features of the program. The numbers, he claims, are all first class, and will likely be put on at Boise and some other towns east of Portland. The approximate cost of the attractions is around \$1,300.

Chautauqua discussions have been prevalent here for several years but more especially so during the past recent months and Mr. Glosup's appearance here was timely in that it has stirred the city to concerted action. Even in the event that this particular program is not accepted, it is more than likely that another of some description will be.

Pendleton High Wins.

By the decisive score of 36 to 19 the Pendleton High school basketball five took the Weston high into camp on the latter's floor last Saturday evening. The game is said to have been fast and hard from the start to the finish but the victors completely surpassed their rivals in their ability to pass the ball.

Victory was all the more sweet by reason of the fact that the Pendleton boys were compelled to play an altogether different game from the one

to which they are accustomed. The intercollegiate rules were sprung on them when they arrived at Weston and they were compelled to play according to them instead of in accordance with the rules laid down in Spaulding's Official Guide.—Pendleton E. O.

We are Still Threshing

Will Demonstrate Every Day This Week

AN IMBLER MAN SAYS:—"If you will start your factory at Imbler we will finance it for you."
 A NORTH POWDER MAN SAYS:—"If you will come to North Powder we will see you through."
 We are telling you this to show you what some level-headed business men think of it after seeing it run, men that know a piece of machinery when they see it.
 We want the home of the AUTOMATIC THRESHER to be in La Grande if possible. GO SEE IT EAT HAY. Not some time next week, but TODAY.
 At a capitalization of \$30,000.00 it is far ahead of any investment that has ever been offered you (the little model will prove it.)
 BEAVER CREEK WATER will make bull RUN some, and that is what the Automati cThresher will do to the old machines.
 If we happen to miss you with the subscription, do not feel slighted, but call on us as we cannot reach every place.
