BIG DEMAND FOR SPUDS

WEATHERSPOON BRINGS WARNING TO GROWERS.

Call Out the Small Stuff and Get Remunerative Prices says Booster.

Oregon demand for first grade potatoes is now great and is given indications of becoming even far more important, according to H. H. Weatherspoon of Elgin, who returned this morning from Portland. He went there for the purpose of ascertaining the status of the market and found that the demand for good graded spuds is simply enormous and growing greater. Mr. Weatherspoon comes back with a warning to the shippers of the Grande Ronde and says: "Don't ship inferior stuff. Grade your potatoes and command 90 cents whereas 65 is the price paid for ungraded potatoes. The Willamette supply was caught by an early frost and the excellent crop in Union county this year will bring good

prices," said he. "If the farmers will ship graded stuff.

We are Still Threshing

Will Demonstrate Every Day This Week

AN IMBLER MAN SAYS:—"If you will start your factory at Imbler we will finance it for you."
 A NORTH POWDER MAN SAYS:—"If you will come to North Powder we will see you through."
 We are telling you this to show you what some level-headed business men think of it after seeing it run, men that know a piece of machinery when they see it.
 We want the home of the AUTOMATIC THRESHER to be in La Grande if possible. GO SEE IT EAT HAY. Not some time next week, but TODAY.
 At a capitalization of \$30,000.00 it is far ahead of any investment that has ever been offered you (the little model will prove it).
 BEAVER CREEK WATER will make bull RUN some, and that is what the Automatic Thresher will do to the old machines.
 If we happen to miss you with the subscription, do not feel slighted, but call on us as we cannot reach every place.
