WHYTE SENDS WORD

FORMER CATHOLIC PRIEST NOW AT CORONADO BEACH.

Extends Wishes to Old Friends Through Observer Columns.

"Wishing the Observer and through the Observer everybody in the Grande Ronde valley, regardless of class or creed or race, a Merry Christmas and a Happy New Year."

So writes Father J. M. White, the former priest in the La Grande Catholic church, from Coronado Beach, California, where he is quartered in the Hotel Del Coronado. Father White was forced to leave this city on account of ill health, but since his removal to California his health has improved considerably, and he has not forgot his many friends in this city, who will be pleased to hear even indirectly from the former citizen of this city.

ROBBERY AT HUNTINGTON.

Four Thousand Taken From Jewelry Store at Huntington in Daylight.

Officers are today lining up a systematic search for the man who last evening at 4:30 o'clock robbed the Knox Jewelry store of \$4,000 worth of goods at Huntington, says the Herald.

The proprietor of the store had locked up his business while he partook of his evening meal a few blocks away, and during the time a robber knocked in a side door. After effecting an entrance the man helped himself to the jewelry, taking at least \$4,000 worth. The holiday stock had lately been unpacked and when the proprietor returned to his store he found his store ransacked and the best goods missing.

The sheriff's office in Baker was notified of the crime and all the aid possible was given in the search. Detectives E. B. Wood of the O. R. & N. who is here attending court will probably join his efforts with those of other officers to see that the thief is captured.

We are Still Threshing

Will Demonstrate Every Day This Week

AN IMBLER MAN SAYS:—"If you will start your factory at Imbler we will finance it for you."

A NORTH POWDER MAN SAYS:—"If you will come to North Powder we will see you through."

We are telling you this to show you what some level-headed business men think of it after seeing it run, men that know a piece of machinery when they see it.

We want the home of the AUTOMATIC THRESHER to be in La Grande if possible. GO SEE IT EAT HAY. Not some time next week, but TODAY.

At a capitalization of \$30,000.00 it is far ahead of any investment that has ever been offered you (the little model will prove it.)

BEAVER CREEK WATER will make bull RUN some, and that is what the Automatic Thresher will do to the old machines.

If we happen to miss you with the subscription, do not feel slighted, but call on us as we cannot reach every place.
