

# SANTA CLAUS CHUCKLES

When he views the lavish display of real sensible gifts at the Red Cross Pharmacy—and he chuckles because of money well spent—money that brings to the receiver a gift of sterling worth, and to the giver the knowledge of having made a gift of practical worth. My store is the mecca for the glad some crowds of Christmas shoppers—the crowd looking for presents for the family from the tiny tot to gray-bearded grandpa—and every one can find something here at just the price they wish to pay for it.

## MANY TREES XMAS EVE

### INTERESTING PROGRAM IN ALL OF CHURCHES SATURDAY

#### Christmas Eve Selected for Santa Claus' Brief Reign.

Many Christmas trees are being planned for Friday night of this week, for every church in the city will observe the evening with fitting programs and Christmas trees of some description. Aside from the church observances, the Grange Hall will be the scene of a long and interesting program and a tree.

Preparations for the programs have been going on for days and nightly rehearsals are the order of the day in all denominations.

#### Card of Thanks.

In behalf of the M. E. Sunday school

and church South, I want to invite all the children of the city who have no regular church connections to attend the Christmas exercises next Friday evening at 7 o'clock. An interesting program has been prepared for the event, and all who wish are cordially invited to attend. The Sunday school also desires to thank the businessmen who have assisted financially with the Sunday school and church work.

#### CHRISTMAS AT CENTRAL CHURCH

#### Fine Program Arranged for the Little Folks

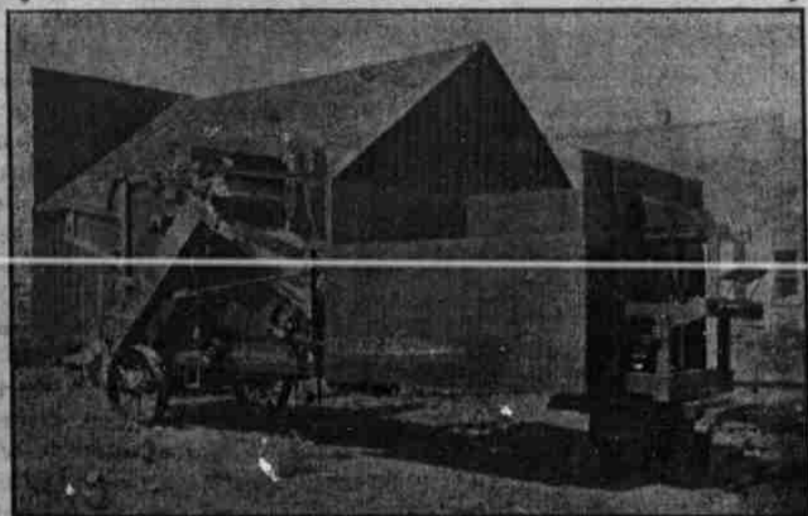

On Christmas Eve an extensive program will be rendered by the little folks of the Central church. These little parties have been meeting day after day in preparation for this important event. Surprise awaits all who attend. The evenings entertainment will be composed of solos, duets choruses, drills, recitations and dialogues. In the midst of all this at a precise period in the program Old Santa will arrive upon the scene with the things that make the children glad and happy. All are welcome to the evening of merriment and joy.

## We are Still Threshing

### Will Demonstrate Every Day This Week

AN IMBLER MAN SAYS:—"If you will start your factory at Imbler we will finance it for you."  
A NORTH POWDER MAN SAYS:—"If you will come to North Powder we will see you through."

We are telling you this to show you what some level-headed business men think of it after seeing it run, men that know a piece of machinery when they see it.

We want the home of the AUTOMATIC THRESHER to be in La Grande if possible. GO SEE IT EAT HAY. Not some time next week, but TODAY.

At a capitalization of \$30,000.00 it is far ahead of any investment that has ever been offered you (the little model will prove it.)

BEAVER CREEK WATER will make bull RUN some, and that is what the Automatic Thresher will do to the old machines.

If we happen to miss you with the subscription, do not feel slighted, but call on us as we cannot reach every place.
