

BERNARD DALY WHO APPEARS IN "SWEET INNISFALLEN" HERE.

SHOW PLEASURES WELL

MOST OF MUSIC COMES FROM A STRONG MALE SEXTETTE.

Motor Race a Special Feature of the Scenery Department.

"A Girl at the Helm" starring Billy Clifford was amusement to a packed house last evening at the Steward. From many points of view the comic opera differs vastly from others in its class. The real music of the show came from the male choruses, and of course Billy Clifford supplied a greater portion of the comedy. He is a hard worker, his choruses try hard to please, and when all has been said that might be said in criticism of the company, it will have to be admitted that "A Girl at the Helm," is running over with mirth, clean above the average, and is an attraction that ought to meet with success in its tour. The motor race scene was one of the features of the scenery department.

DALY COMES WITH PRAISE

LOCAL ELKS PRODUCTION THURS DAY NIGHT.

Noted Irish Singer and Comedian is Coming with His Songs and Irish Witicisms.

Many complimentary things have been written and printed about Bernard Daly, the sweet Irish singer and actor in romantic parts, and here he is with us, or soon will be. Mr. Daly has discarded his two successes of the past seasons, "Kerry Gow", Joe Murphy's interesting play, with its realistic blacksmith shop and horse shoeing scene, (Mr. Daly was a great hit as Dan O'Hara) and as "Roy of the Hills" but he has forsaken them for a new love, "Sweet Innisfallen," which, it is said gives Mr. Daly a broader field for his talents. It has more romantic situations and a fresh

bunch of songs which he renders with much tenderness and effect.

Among Mr. Daly's collection of melodies will be the song of all Irish songs "The Wearing of the Green." His song "Hide and Seek" with little "Molly" which must be acted as well as sung; "Sweet Eyes of Irish Blue" and the "Call of the Wind," as well as other Irish airs equally as catchy, are in his collection and will be delivered in his new play. Mr. Caldwell, his new manager, has provided him with all of the latest and best in this line. "Sweet Innisfallen" with Mr. Daly as "Larry" will appear at the Steward on Thursday of this week and under the auspices of the local lodge of Elks and for their benefit. This should guarantee a packed house.

THROW OUT THE LINE.

Give the Kidney's Help and Many People of La Grande Will be Happier.

"Throw out the life line"—The kidneys need help—They're overworked—can't get the poison filtered out of the blood. They're getting worse every minute. Will you help them.

Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair. Mrs. J. T. Galloway, C. St. Elgin, Oregon, says: "In view of the bene-

fit I derived from Doan's Kidney Pills I can only speak of them as being a reliable remedy for the kidneys. I used them principally for a severe pain across the back which had annoyed me for some time. The results that led me to the remedy until my back was free from pain. I cheerfully recommend Doan's Kidney Pills."

END STOMACH TROUBLE.

Dyspepsia, Heartburn, Gas or Indigestion go five Minutes later

As there is often someone in your family who suffers an attack of indigestion or some form of Stomach trouble, why don't you keep some Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy stomach five minutes after.

Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Pape's Diapepsin, then you will readily see why it makes indigestion, sour stomach, heart burn and other distress go in five minutes and relieves at once such miseries as Belching of Gas, Eruptions of sour undigested food, Nausea, Headaches, Dizziness, Constipation and other stomach disorders.

Some folks have tried so long to find relief from indigestion and dyspepsia or an out of order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believes theirs is a case of Nervousness, Catarrh of the Stomach or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and, besides poisons the breath with nauseous odor.

A hearty appetite with thorough digestion, without the slightest discomfort or misery of the stomach is waiting for you as soon as you decide to try Pape's Diapepsin.
