SHOW WILL BE SCHOOL FOR MANY

PURPOSE OF POULTRY SHOW IS TO DEVELOPE KNOWLEDGE IN POULTRY RAISING.

Information Pertaining to the Show Can be Had For the Asking—Show will Be Educational To Participants.

(By D. B. Stoddard, Secretary.

At the poultry show to be held at the Harris Hall in this city January 18-19-20, the Grande Ronde Poultry association invites the support of the people of Union county and also outside of the county. Anyone who would like to exhibit his stock can be assured that good treatment will be accorded him by the officials of the association.

In organizing this, the first poultry show, the greatest object in view is to afford a good medium of advertisement, increase the desire to raise better poultry and educate the breeders along the lines of feeding for egg production, selecting good material and so as to be successful along the line of diagnosing and subscribing for affected fowls, or what is better, to prevent disease and a cure for his birds so that there will be an assurance of profit instead of a loss.

That is what the association aims to do, and a careful search in to the history of poultry shows will convince anyone of the truth of this statement The promoters hope that the breeders of this county will come to the support of the show and this movement.

Come out and show your birds. If you have some good birds and are at a loss to know just how to select for a show, drop the secretary of the association a line and the association officials will be only too glad to aid you.

Remember the show dates—Harris hall, January 18-19-20 inclusive. Entry blanks will be supplied to any one without charge, by writing to the secretary of the Grande Ronde Ronde Poultrymen's association. Rules and by laws can be had for the asking. Watch for the premium list in the Observer at a nearby date.

To Combat Jack Frost.

Topeka, Kansas, Dec. 28.—Discussion of means by which fruit can be saved from destruction by late spring frosts will occupy much of the time of the forty-third annual meeting of the State Horticultural society, which convened today in the capitol for a session of three days.

INDIGESTION VANISHES.

There would not be a case of indigestion here if the readers who are subject to stomach arouble know the tremendous anti-ferment and digestive virtues contained in Diapepsin. This harmless preparation will digest a heavy meal without the slighest fuss or discofort, and relieve the sourest acid stomach in five minutes, besides overcoming foul and nauseaus odors from the breath.

Ask your pharmacist to sho wyou the formula plainly printed on each 50 cent case of Pape's Diapepsin, then you will readily understand why this promptly cures indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, nausea, headache, billicusness and many other bad symptoms, and besides you will not need laxatives to keep your stomach ,liver and intestines clean and fresh.

If your stomach is sour and full of gas or your food doesn't digest and your meals don't seem to fit, why not get a 50 cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and besides one case is sufficient to cure a while family of such trouble.

Surely a harmless, inexpensive prep aration like Diapepsin, which will always, either in the daytime or at night relieve your stomach misery and digest your meals, is about as handy and valuable thing as you could have i nthe house.
