**SHEEPMEN ARE PLEASED**

**WALLOWA SHEEPMEN RETURN WITH SATISFACTION.**

Dismisal of Pinchot has met with favor among the Growers of Flocks.

Well tagged up with badges and labelled "Portland in 1911" the Oregon and Washington sheepmen are returning from Ogden where the national convention was held and to a man, the sheep men are lauding President Taft for the singular dismissal of Chief Forester Pinchot. Pinchot and his policies were greatly distasteful to the sheep men and stockmen in general and hoping a western man will be named as chief forester. M. C. Longfellow, one of the prominent stockmen of Wallowa county was in the city this morning en route home having been one of the party which came up from Ogden yesterday.

February is the month in which the lake usually becomes frozen but the extremely cold weather in December has hurried the coating of the water. Less than one-half of the lake is snow covered.

Duncan McDonald, one of the progressive stock raisers of the county has purchased from A. C. Ruby & Co., an exceptionally fine black Percheron stallion, three years old this coming May and weighing 1845 pounds. The purchase price was \$2,600. Those who have seen this young animal, pronounce it second to none in the country. It is and has been such men as Mr. McDonald that has given to Union county the well merited reputation of being one of the largest producers of high grade stock in the state. When buyers cannot find what they are looking for in this country it is taken for granted that it is not in the market.
