TWO BONDS CUT IN TWO

TWO DIVORCES GRANTED YESTERDAY BY CIRCUIT JUDGE.

One Union Couple and One La Grande Couple Given Papers to Prove Separation.

Cruel and inhuman treatment and drunkenness in one instance and desertion by the wife in another instance, are the grounds for divorces granted by Circuit Judge Knowles last evening. The first case was that of Beulah Belle McIntyre against William Henry McIntyre, both of Union. The plaintiff alleges cruel and inhuman treatment, coupled with drunkenness.

Another divorce granted yesterday by the court was that of Mr. Cramer, the grave digger, against Mrs. Cramer on the ground of desertion.

In the absence of court reporter, Hanna, H. M. May took the testimony.

REVIVALS INTERESTING

ATTENDANCE GOOD AND INTEREST INCREASING.

Revivals at South M. E. Church Indicates Much Success.

Revival meetings at the M. E. Church South on the North side in La Grande have started, off in good shape. A splendid interest was manifested last night, and the outlook is most excellent for a great revival. Rev. C. A. Rexroad has had many years of experience as an evangelistic pastor and school man in Oregon and other states. We will have live congregational singing throughout the meeting. Everybody is welcome to these services. We want especially, those who are busy to come and we will respect your right with a short sermon. We invite the pastors and people of other churches, who are interested in the salvation of the people of La Grande to attend these meetings and help get people saved; come unless you are too narrow and "hidebound." Come any way. We will treat you right and with due courtesy. Come whenever your own church duties will permit. Services every afternoon at half past two o'clock and every evening at half past seven.

HAVE SOUND KIDNEYS.

A Few Doses Make Out of Order Kidneys Act Fine.

Out of order kidneys act fine and backache or bladder misery is relieved after a few doses of Pape's Diuretic.

Pains in the back, sides or loins, rheumatic twinges, debilitating headache, nervousness, dizziness, sleeplessness, inflamed or swollen eyelids, worn out feeling and many other symptoms of clogged, inactive kidneys simply vanish.

The moment you suspect any kidney, bladder or urinary disorder or feel rheumatism coming, begin taking this harmless remedy, with the knowledge that there is no other medicine at any price, made anywhere else in the world, which will effect so thoroughly and prompt a cure as a

fifty cent treatment of Pape's Diuretic which any druggist can supply.

This unusual preparation goes direct to the out-of-order kidneys, bladder and urinary system, cleaning, healing and strengthening these organs and glands, and completes the cure before you realize it.

A treatment with Pape's Diuretic means clean, active, healthy kidneys, bladder and urinary system, cleaning, healing and strengthening these organs and glands, and completes the cure before you realize it.

INDIGESTION VANISHES.

There would not be a case of indigestion here if the readers who are subject to stomach trouble know the tremendous anti-ferment and digestive virtues contained in Diapepsin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieve the sorest acid stomach in five minutes, besides overcoming foul and nauseous odors from the breath.

Ask your pharmacist to show you the formula plainly printed on each 50 cent case of Pape's Diapepsin, then you will readily understand why this promptly cures indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, nausea, headache, biliousness, and many other bad symptoms, and besides you will not need laxatives to keep your stomach, liver and intestines clean and fresh.

If your stomach is sour and full of gas or your food doesn't digest and your meals don't seem to fit, why not get a 50 cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and besides one case is sufficient to cure a whole family of such trouble.

Surely a harmless, inexpensive preparation like Diapepsin, which will always, either in the daytime or at night relieve your stomach misery and digest your meals, is about as handy and valuable thing as you could have in the house.

THE EYE IMPORTANT

The eyes is one of the most important and delicate parts of the body. "Sight is Priceless." Glasses should not be worn where no error of refraction exists, but where an error does exist they should be put on as soon as possible and worn constantly until the defect is cured. Wearing glasses once does not signify that they will always be worn. You can at any time (before the defect is cured) go back

to the poorer vision if you so desire. The vision will not be poorer than it was before the glasses were worn, but will be more noticeable on account of having been accustomed to better vision. I have made a special study of the eyes and have been fitting glasses for fourteen years. Ask anyone that I have fitted for reference as to my ability, then give me a trial and be convinced. All work guaranteed.
