## TICKETHOLDERS WILL BE STOCKHOLDERS IS RULING

All those who purchase tickets for the coming chautauqua, are to become members and stockholders in the corporation which is to be formed to administer affairs of the chautauqua. With this as an added incentive, there should be little difficulty in securing the balance of the tickets.

Because the contract is permanently signed is no indication that 1,000 tickets are not to be sold. Those sold already and the additional backing, from other sources, warranted the closing of the contract but there are yet about 300 tickets to be disposed of at once. The promoters are anxious to

get these tickets off their hands. Many have not taken tickets because they are afraid of buying a "gold brick." Such precautions are only right and due the prospective buyers but chautauquas are universally popular and are money makers as well wherever given a fair trial. It is conceded that no better place could be found than right here in La Grande. Don't wait for the sellers but phone in your orders, several of them if possible, to the Commercial Club.

**Fatal Explosion.**  
 Wilkesbarre, Pa. Jan. 12.—Five

men are dead and six are badly injured as the result of an explosion in the Nottingham colliery near this city. All of the victims but one are foreigners.

(Continued from page 1.)

balloon "Peoria" struck the side of a drug store on account of the occupants not unloading sand bags quickly enough. No one was injured and the balloon continued her voyage.

The balloon "Dick Ferris" was the last one cut loose. Two new triplanes will be put in the air this afternoon, if possible to arrange to lift them from the ground.

**Warning.**

The public is hereby warned not to buy B. of R. T., dance tickets that have been printed in black. The genuine tickets are printed in red and have the seal of the lodge upon them. By order of the committee.
