NOT USUAL AT ALL.

But the Same thing Has Happened in Years Gone By.

The Grande Ronde river was frozen over hard enough during the past week says the Flora Journal, so that Mr. Richman crossed over on the ice with eight head of cattle and three horses. It is not often that the river is frozen entirely over, solid enough to carry such a weight as this. The ferry boat at Troy has been frozen in for several days.

TWO ACCIDENTS.

Alfred Carlson and David Dunlap are Injured Handling Logs.

Two accidents occurred among the employes of the Palmer Lumber Co. in their logging yards yesterday.

In the fore noon Alfred Carlson, while unloading logs had the misfortune of having both feet severely injured and in the evening David Dunlap was struck on the knee resulting in a painful injury. Both men were removed to the Grande Ronde hospital and Dr. Molitor attended to their injuries.
