# MATINEE MAKES BIG HIT WITH OLD AND YOUNG

"Land of Nod" matinee Popular With Audience—

Comedy at the Star

Methodist Minister at the Scene.

Matinees are uncommon in La Grande, especially that kind that comes from such companies as "The Land of Nod," consequently the attendance at the Star this afternoon was considered large and the novelty of the thing drew many who otherwise would have attended tonight. "The Land of Nod" is interesting and entertaining to both old and young, but the young who attended today were jubilant. There is a hurry and a get about the show that pleases all and there is a touch of Yuletide in it that is extremely pleasant. Judging from the applause and general satisfaction given that part of the matinee which had been carried out at press time, the show is up-to-date and has a high standard, and the house tonight will be larger than usual, as well.

### Lauder to Take Part

San Francisco, Jan. 15.—Harry Lauder, will take a prominent part in the Bobby Burns celebration of the United Scottish Societies tonight.

### STOMACH FEEL FINE.

Indigestion, Gas, Heartburn, and All Stomach Misery Vanishes.

Nothing will remain undigested or sour on your stomach if you will take a little Diapepsin each morning. This powerful digestive and antacid, though as harmless and pleasant as candy will digest and prepare for assimilation into the blood all the food you can eat.

Eat what your stomach craves, with out the slightest fear of indigestion, or that you will be bothered with sour risings, belching, gas on stomach, heartburn, headaches from stomach, nausea, bad breath, water brash or a feeling like you had swallowed a lump of lead or other disagreeable miseries. Should you be suffering now from any stomach disorder you can get relief within five minutes.

If you will get from your pharmacist a 50 cent case of Pape's Diapepsin you could always go to the table with a hearty appetite and your meals would taste good, because you would know there would be no indigestion or sleepless nights, nor headaches or stomach misery all the next day; and besides, you would not need laxatives or liver pills to keep your stomach and bowels clean and fresh.

Pape's Diapepsin can be obtained from your druggist and contains more than sufficient to thoroughly cure the worst case of indigestion or dyspepsia. There is nothing better for gas on the stomach or sour odors from the stomach or to cure a stomach headache.

You couldn't keep a handkerchief or more useful article in the house.

### INDIGESTION VANISHES.

There would not be a case of indigestion here if the readers who are subject to stomach trouble know the tremendous anti-ferment and digestive virtues contained in Diapepsin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieve the sour acid stomach in five minutes, besides overcoming foul and nauseous odors from the breath.

Ask your pharmacist to show you the formula plainly printed on each 50 cent case of Pape's Diapepsin, then you will readily understand why this promptly cures indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, nausea, headache, biliousness and many other bad symptoms, and besides you will not need laxatives to

### Comedy at the Star.

A bachelor visit, comedy, at the Star tonight is a story of "Bach" visit to his friends sea side home and the incidents including mishaps that "Bach" never figured on, are surely amusing. There is a laugh at every turn. Change tomorrow.

### Minister in Vaudeville.

The new bill for the scenic on Sunday evening, which will include three changes per week in the pictures, instead of two, and nine reels a week instead of four, opens Sunday evening with Milton Weston Hyatt in popular readings dramatic and humorous. Mr. Hyatt was formerly a Methodist preacher. Clifford & Camp entertainers and violin virtuoso. Miss Helen Ogden, a fine entertainer and double voiced vocalist are the other attractions.

keep your stomach, liver, and intestines clean and fresh.

If your stomach is sour and full of gas or your food doesn't digest and your meals don't seem to fit, why not get a 50 cent case from your druggist and make life worth living. Absolute relief from stomach misery, perfect digestion of anything you eat is sure to follow five minutes after and besides one case is sufficient to cure a whole family of such trouble.

Surely a harmless, inexpensive preparation like Diapepsin, which will always, either in the daytime or at night relieve your stomach misery and digest your meals, is about as handy and valuable thing as you could have in the house.

# THEEYE IMPORTANT

The eyes is one of the most important and delicate part of the body. "Sight is Priceless." Glasses should not be worn where no error of refraction exists, but where an error does exist they should be put on as soon as possible and worn constantly until the defect is cured. Wearing glasses once does not signify that they will always be worn. You can at any time (before the defect is cured) go back

to the poorer vision if you so desire. The vision will not be poorer than it was before the glasses were worn, but will be more noticeable on account of having been accustomed to better vision. I have made a special study of the eyes and have been fitting glasses for fourteen years. Ask anyone that I have fitted for glasses as to my ability, then give me a trial and be convinced. All work guaranteed.
