

All Coffee Isn't to Blame

If coffee does you harm there is a cause—find out what it is—may be that it is not the right kind of coffee to start with, and again maybe that it was not ground properly. We pride ourselves in having the best coffee in town and when ground with our electric mill makes a fine cup of coffee. **DON'T TAKE OUR WORD FOR IT—TEST IT FOR YOURSELF.**

COURTNEY PASSES AWAY

FORWARD PROSECUTOR FOR UNION AND WALLOWA COUNTIES

Dies of heart failure at Baker City. Well-known politician.

The Baker City Herald says: "At 7:30 last evening Judge H. E. Courtney passed peacefully away at his home, corner of Fourth and Auburn. He has been ailing for many months past with heart trouble and had been unable to be about much since last June. During the last three weeks he was confined to his bed and death was expected at any time. His end was peaceful and he was cheered by the presence of his wife and son, Henry Courtney. He is also survived by a brother, Dr. H. A. Courtney, who resides in Portland.

Judge Courtney was one of the oldest and one of the most highly respected members of the Baker county bar. He was a jurist of ability, a deep thinker, logical reasoner, and possessed of impartial judgment. For 20 years he has practiced his profession in Baker City and during that time had made many warm personal friends."

H. E. Courtney was a native of Ireland. He came to Baker City something over 20 years ago, and was for many years prominent in the local bar. During the days of the democratic-populist fusion he was elected district attorney for Baker, Union and Wallowa counties and was successful as a prosecutor.
