**DETAILS OF  
INSTRUCTION**

**CENSUS TAKERS MUST ANSWER  
LONG LIST.**

Census and census details are of general interest and the following appended copy of instructions to the census takers, will be of interest. The blanks for applicants are now with Seneca C. Beach at Portland, and will be distributed at once. The following are the questions to be answered by the enumerators:

The instructions printed on the application form state that a definite answer is required to each of the questions, which are:

"Are you a citizen of the United States? If a naturalized citizen when and where were you naturalized?"

"Of what state or territory are you a legal resident? How long have you been a legal resident thereof? Of what county and of what town or city and ward are you a resident? How long have you been a resident thereof?"

"What is your sex and color? What was your age at your last birthday? Where were you born?"

"What is your education? (Give the principal facts.)"

"What is your present occupation? What is your professional or business experience? (Give the principal facts, and if at present an officeholder, name the office you hold.)"

"Have you ever been employed on census work, either national or state? If so, in what capacity and for how long a period? If an enumerator, for what territory or district? (Describe as accurately as possible.)"

"Are you physically capable of a full discharge of the duties of census enumerator? Have you any defect of either sight, hearing, speech or limb? If so, state nature of defect."

"Do you speak English? Do you understand and speak any language other than English? (Specify languages spoken as Bohemian, Chinese, Danish, French, German, Greek, Hungarian, Italian, Japanese, Lithuanian, Magyar, Norwegian, Polish, Portuguese, Russian, Slavic, Spanish, Yiddish, etc.)"

"Are you a member of a political committee of any party? (Answer 'Yes' or 'No' but do not indicate what party.)"

"In view of the fact that you may be required to take a test before a postmaster, state what postoffice would be most convenient for you for this purpose. (This test is of a practical nature, consisting chiefly or wholly in the filling out of a sample schedule of population from information regarding typical families, and in the case of enumerators whose work will be in rural districts, the filling out of a sample schedule of agriculture.)"

Indorsements of each applicant must be secured from two representative citizens of the community in which the applicant resides. They must be at least 21 years of age, and acquainted with the applicant at least one year. Indorsements will not be accepted from any person who is in any way related to the applicant.

There would not be a case of indigestion here if the readers who are subject to stomach trouble knew the tremendous anti-ferment and digestive virtues contained in Diapiesin. This harmless preparation will digest a heavy meal without the slightest fuss or discomfort, and relieve the sour acid stomach in five minutes, besides overcoming foul and nauseous odors from the breath.

Ask your pharmacist to show you the formula plainly printed on each 50 cent case of Pape's Diapiesin, then

between the light afforded by an ordinary carbon incandescent and the brilliancy of our new Tungsten lamp. The latter has a metal filament (the tiny wire inside of the bulb) which radiates two and one half times as much light with same amount of electric current.

A 40-Watt Tungsten Affords Twice the Light of the 50-Watt carbon lamp now in general use and cost one-fifth less to burn. We recommend its use to our customers as it more than cuts their light bill in two, making electric light so inexpensive that no home, however humble, and no store, however small, can afford to be without one.

you will readily understand why this promptly cures indigestion and removes such symptoms as heartburn, a feeling like a lump of lead in the stomach, belching of gas and eructations of undigested food, water brash, nausea, headache, biliousness and many other bad symptoms, and besides you will not need laxatives to keep your stomach liver and intestines clean and fresh.  
If your stomach is sour and full of gas or your food doesn't digest and your meals don't seem to fit, why not get a 50 cent case from your druggist and make life worth living? Absolute relief from stomach misery and perfect digestion of anything you eat is sure to follow five minutes after, and besides one case is sufficient to cure a whole family of such trouble.  
Surely a harmless, inexpensive preparation like Diapiesin, which will always, either in the daytime or at night relieve your stomach misery and digest your meals, is about as handy and valuable thing as you could have in the house.
