PENDLETON SHOWS CLASS

WHILE LOCALS ARE SLUMPING, VISITORS WIN OUT.

Gaining Substantial Lead in First Half, Visitors Are Safe.

Taking advantage of lose and careless guarding and a general slump in all departments of the game by the home team, Pendleton high school last evening ran away from the M. I. A. in the first half and then in the second half managed to stall off defeat by holding the M. I. A. spurt down below their own score. Over a half hour late in starting, the game came as a relief to the restless audience that filled the galleries and once under way, excitement was rife. With a finished product of basketball and the plenty of speed the visitors ran up 22 points to La-Grande's 8 in the first half, due entirely to the apparently badly off-day by all the home players, and primarily on account of the careless guarding by the M. I. A. men. Pendleton forwards were alone a greater part of the time and with active back-field men they were able to get their hands on the ball with all together too much frequency. On the other hand, the M. I. A. forwards were guarded with such precision and perfection that Lindsay and Geddes were blocked at every turn. Chapman and Boylen, the crack long distance runner, were exceptionally clever men and did not get as many goals as Chapman, still it was primarily his flootfooted playing that enabled Chapman to score. The entire visiting team is well balanced and will be a strong contender for the Eastern Oregon and Eastern Washington championship. With the second half commenced, the M. I. A. came back stronger and gave a better sample of its real ability. The players lost their stage fright and guarded closer, passed the ball with precision, and for a time had the visitors nonplussed by their cleverness. And in the few minutes of their improved style, the locals ran up fourteen points to the visitors' seven and had the M. I. A. maintained that pace throughout the game the score would have been turned the other way. But they didn't and the only satisfaction is that had the team worked with old time form it would have maintained its record for two years undefeated.

Jerry Hollister met with an accident and was taken out within the last five minutes on account of a severe injury to his ankle. Almsworth, a former member of the team took his place, scoring a goal in the brief space allotted to him. Prior to his retirement Hollister had been in every play and easily starred for the home aggregation on account of his effective floor work.

The Summary:

M. I. A.	goals	fouls
Geddes, RF	2	0
Lindsay, LF	6	1
Bean, Center	0	0
Metcalf, RG	0	1
Hollister, LG	1	0

Referee, Kimball; Umpire, Hubler; Scorer, William Lindsay. Tries for free throws that were missed: Geddes 2; Lindsey 5; Bean 2; Metcalf, 3.

Boyley 5; Houser 2.
Kimball's fairness with the whistle was an encouraging feature of the visitors' performance. In fact there was little roughness anywhere except that which legitimately goes with furious basketball and all in all the players and officials acted with good decorum throughout the contest.

APPLE MEN ADJOURN.
Will Meet at Walla Walla Soon to Complete Plans for Organization.

Unable to agree upon an immediate plan for forming a corporation which would handle the apple crop of the Pacific Northwest, the 100 apple orchard owners who have been in session for two days at the Y. M. C. A. adjourned late yesterday afternoon to meet in Walla Walla, February 28, says the Oregonian.

Inability to agree was due to the large number of fruitgrowers present and their divergent views. There also existed the fact that the growers were present in their individual capacities and not as authorized representatives of their various associations. Hence they were not in a position to bind anybody but themselves if decisive action had been taken.

A resolution was adopted which sets forth the substance of the action taken by the convention. It recognizes the fact that a central selling agency is essential to the welfare of the apple industry. To secure one, it is suggested that all districts not organized form an apple-growers' association; that district associations select one delegate to the Walla Walla meeting and that this delegate body, small in numbers, have the duty of organizing and defining the duties of the new organization.

The value of this crop last year was \$6,000,000, but it will increase rapidly in coming years.

H. G. Otis, of Wenatchee, Wash., the chairman of the committee of sixteen which had for its purpose the forming of a central selling agency at the morning session. He said that the committee had worked until midnight and had been unable to come to any other conclusion than that the Portland committee did not have the required authority, for these were no official delegates from the apple-growers' association. For this reason, the committee had reached the conclusion that it would be better to have another meeting, at which the official representatives could be present.

If you suffer from backache, from urinary disorders, from any disease of the kidneys, be cured to stay cured. Doan's Kidney Pills make lasting cures.

Grateful people testify. Here's one case of it:
Mrs. William Beardneaux, 2130 Colorado St., Baker City, Ore., says: "My kidneys were badly disordered as the result of a cold I contracted and I suffered from an almost constant backache. To go up or down stairs caused severe pain throughout my body and I was also annoyed by headaches and dizzy spells. Reading of Doan's Kidney Pills, my husband procured a supply and the contents of two boxes cured me. I shall always give Doan's Kidney Pills my endorsement. (Statement given November 3, 1907.)

A Lasting Effect.
On May 26, 1910, Mrs. Beardneaux said: "The cure Doan's Kidney Pills made in my case has been permanent. Whenever I have the opportunity, I recommend this remedy."
