## People Talk Concerning Economy

But how many really know, have PROVEN that there is no economy equal to that of buying and eating healthful food!

This economy sometimes spend a few cents more a week on groceries just to be sure

This economy distinguishes between low price and dear and what is moderate priced and cheap.

This economy considers the health of a family its most valuable asset.

To people who practice this sort of economy we commend this grocery stock of ours.

Our methods have stood and are standing the severest tests along these lines.

If you appreciate the top notch grocery quality—investigate.
