NOTED WAR LAD COMING

**DOCTOR ILLIFF, VETERAN OF
MANY BATTLES, COMING**

Will deliver his famous lecture here
next Thursday evening

Doctor T. C. Illiff, of University Park, Colo., will deliver in this city next Thursday night what is generally conceded to be the acme of war stories, entitled, "The Boys of '61 and '65," by one of them. Mr. Illiff is an orator, and his story is known the length and breadth of the land. He goes to Joseph next Sunday to dedicate the Methodist church there, and on his return will stay in this city to give his lecture Thursday night.

Doctor Illiff was with Sherman on his march to the sea and all told, was in 60 engagements during the civil war. During the past few years he has been winning national fame with his lecture.

Civil War Story.

Rally Round the Flag, a story of the civil war is one of those that makes the blood tingle, and the scene of soldiers in action are so real that

one thinks they are really looking at the battles as they were fought at that time. Intermingled as it is with a little love story, it makes this one of the best films that has been shown. The Personal Conduct of Henry, comedy, will surely make you laugh in spite of yourself. Do not overlook the fact that the Star has a matinee every afternoon. Always good music along with our "Pictures that Please."

Portland Real Estate

With Portland Real Estate steadily increasing, there being every reason why it should, those who refuse or neglect to secure, at least, a lot or two are doing themselves and those dependent upon them an actual injustice. And when you are offered an opportunity such as the Jacobs-Stine co. is presenting to the people of La Grande there is no excuse for refusal or neglect.

Prices from \$450.00 to \$775.00, \$20 down and \$8.00 to \$15.00 per month, depending on the cost of the lot, should enable any one of any earning capacity at all to secure what, in a very few years, will be a valuable piece of property. Then too, bear in mind all the time that the prices include cement sidewalk, cement curbs, graded streets, Bull Run water and there are no interest charges and the Jacobs-Stine company pays the taxes until such time as the contract is finished.

There is no charge for deed or

abstract and the Company conveys the property free and clear of all encumbrance with warranty deed. We allow liberal discounts for all or part cash payment. Enquire of the Jacobs-Stine Company representatives about this feature.

Enquire also about the special features in the contracts. When the Company puts in the improvements, they are all uniform and all guaranteed. Many improvements are to be made in this district the coming summer and those who invest now will reap the benefits that these improvements will bring.

The Jacobs-Stine Company allows no saloons, laundries, livery stables, shacks or others undesirable structures in Wellington.

Every home built in this beautiful addition will add to the value of the whole tract.

See the Jacobs-Stine representatives just as soon as possible as this gives you a better choice of lots.

Office one door south of the Observer office, La Grande. Open day and evening.

Whiston Hard Worker

Whiston hews close to the line and lets the chips fall where they may. He spoke to a large audience last evening on the subject God's Highway. He speaks tonight on Spiritual Blindness; Sunday morning on The Head Ship of Christ and in the evening a sermon to skeptics on

The Absolute Certainties. Whiston is a rapid speaker and holds the interest of the audience from the very first. Longman captures the people with his sweet solos. These men are from the east. Come and hear them. Song service begins at 7:30. Lasts one hour.

PLAY IMBLER TONIGHT

IMBLER THIS AFTERNOON TO
MEET CLUB TEAM

Youngsters going against men but
hope to outclass them

The B. M. A. team left late this afternoon for Imbler where they are to meet the Imbler Club team this evening. The trip was made by a team, the players and A. W. Nelson, as official, leaving shortly after four o'clock. The Imbler team gave the M. I. A. team a lively chase here recently and the B. M. A. will have to buckle their belts tightly to register a victory. Their opponents are all men, but the youngsters from here hope to excel in speed and cleverness. The players will return immediately after the game tonight.

G. E. Tungsten Lamps Make Electric Light Much Cheaper

They have two and a half times the efficiency of the ordinary carbon lamp hitherto in general use. The filament is made of a rare metal called Tungsten, which yields an intense brilliancy at a low cost. In shape and size the bulb is just like any other incandescent lamp. Why not try a Tungsten lamp for your self? Get one of the 40-watt and use it some where in your house in place of one of your carbon lamps. Then observe the great difference. Note the clear white light exactly twice as brilliant and costing you one fifth less for electricity. General electric Tungsten lamps are destined to displace all others, for both store and house lighting.

Eastern Oregon Light And Power Company

Notice.

La Grande, Ore., Jan. 26, 1910. We, the undersigned barbers, agree to advance the price of hair cutting from 25c to 35c, effective after Feb. 1.
