B. M. A. WINS LAST GAME

HAVE DEFEATED THEIR DOUGHTY OPPONENTS TWICE

By score of 14 to 13 the "Methodists" vanquish L. P. A.

Lambda Phi Alpha opportunities to claim the junior championship of the city went glimmering last night at the rink, when, before half a dozen spectators, the B. M. A. won the second game by a score of 14 to 13. The B. M. A. led off with an easy lead but during the last half of the game, their opponents "crawled up steadily, getting within one point of breasting the leaders.

Within the coming few years, La Grande will have championship material in basketball for among the juniors now organized are coming players of more than ordinary ability. This has been clearly shown during the past games here. The B. M. A. was weakened slightly by the absence of Captain Lottes, who is ill. For the P. P. A. Reynolds and Rush shone as the most active and effective players.

The L. D. S. Junior team has not met the B. M. A., but it defeated the Lambda Phi Alpha by a close score and some agreement for a post season game may be made.

LEAD TEAMS WILL MEET

HIGH SCHOOL AND M. I. A. TO MEET FRIDAY

Championship of the county to be wrestled for at that time

Those who have followed basketball this year are on tiptoe in anticipation of the coming game at the rink next Friday night when the high school meets the M. I. A. team. The teams thus far have progressed without a defeat, and it is no idle statement to say that the championship of the county rests on the winners of this game.

The high school will be slightly weakened by sickness and injuries to some of the players. The M. I. A., on the other hand will be at its best and the outcome will be in doubt to the end. Yell Leader Grady is marshalling his forces from the high school to have out such representative bunch of rooters, and the galleries will be kept warm with support for both teams.

NEWS OF WHITMAN

Whitman College, Walla Walla, Wash., Feb. 9. (Special)—With the beginning of the second semester a new course in the study of childhood and adolescence will be established in the Department of Psychology and Education in Whitman College. Prof. J. T. Williams, Ph. D., will give the course. The hours of meeting will be on Saturday at 10 a. m., in order that people of the town and public school teachers may be able to make use of the opportunity which is offered for a modern, up-to-date and thoroughly scientific discussion of the all-important matter of the psychology of childhood and youth. Dr. Williams is a graduate of Washington University, at St. Louis, Mo., and a Ph. D. from Columbia University, having studied in the latter institution in the Department of Philosophy and Education. He has been on the faculty of the University of Iowa, as assistant professor of Education, and has taught in the same department in the University of Washington.

Rev. Dr. Blackburn, of the Baker City Baptist church, who is conduct-
