**SOCIAL ITEMS
IN LADD CANYON**

Ladd Canyon, Feb. 17 (Special)—Mrs. William Winburn and baby daughter Velma, are visiting here with Mrs. Winburn's parents, Mr. and Mrs. William Banton.

Miss Kate Braden is spending this week in La Grande with friends and relatives.

Miss Frankie Peebler has been visiting in La Grande with relatives. Miss Mabel Counsell spent a few days last week with Mrs. Laurence Drumsmith in Upper Ladd Canyon.

Mrs. Sam Braden's parents, Mr. and Mrs. Church drove over from Union the latter part of the week on a visit.

Messrs. Marion Spencer, Harley and Neil McClure and Mike Riddle packed up their musical instruments, which looked like they were moving, one day last week, but they only went as far as Frank McClure's home, where they rendered some very fine music.

A party was given at the home of Mr. and Mrs. Henry Peebler last Monday afternoon, from 2 until 5 o'clock on Valentine's Day in honor of their little son Walter. The afternoon was spent in games and music after which a delicious lunch was served. The little ones report having had the best time of their lives. Those present were Dorothy Crouse, Sibby Mulholland, Etta Banton, Helen Peebler, Bell Counsell, Raymond Stump, Frank Counsell and Evan Peebler.

START LECTURE AT NINE.

Elliott's number of lecture course occurs tomorrow night.

Tomorrow evening the third number of the lecture course will occur at the Mormon Tabernacle. On account of the revival meetings now in progress the entertainment will begin at 9 p. m. Edward Elliott will present a popular play. Some have asked if this attraction is a lecture. Mr. Elliott will take a play that has made a wonderful success on the stage and make the characters tell the story. This number is not a lecture. Edward Elliott will appear at Baker City this evening on their lecture course. He will arrive in La Grande on the morning train. Those who have a season ticket should get busy and bring them from their hiding places. General admission will be 75 cents. The doors will be opened at 8:15.

Activity in Railroad Circles

There is a renewed activity in local railroad circles and it is expected that the breaking up of winter will be the signal for the opening up of a great era of railroad building and improvement in Eastern Oregon, says the Pendleton E. O.

A crew of surveyors has been at work for several days setting the grade stakes for the changes which are to be made in the road between this city and Yoakum. A little more than a million dollars will be spent in this work which includes the elimination of curves and the improvement of the road bed.

In addition to this, fence building gangs are now being organized to fence the unfenced portions of the road. The most notable piece in this vicinity being the entire Pilot Rock branch. The posts were distributed for this work once and then they were gathered up again, but apparently the company now expects to complete the work this time.

With the fencing of this branch line completed, the Condon, Wallowa valley and other branch lines are to be taken care of.

CHOOSER DEEP SUBJECT.

Evangelist Whiston will discuss "Can all Men be Saved?"

Whiston will speak tonight in the Central church on "Can all Men be Saved?" Longman will sing one of his sweet solos. Large audiences are listening to the Evangelist deliver his convincing sermons. Nineteen thus far have taken their stand for a better life. The men converts will be baptized this evening. Services begin at 7:40 sharp.

If a man wishes to be treated with courtesy he should show courtesy to others.

pursuance to a resolution adopted by said Common Council on the 26 day of February, 1910, whereby said Council determined and declared its intention to improve all that portion of Depot Street, in said improvement district as hereinafter described, by laying thereon hard surface pavement, the Council will, ten days after the service of this notice upon the owners of the property affected and benefited by such improvement, order that said above described improvement be made; that the boundaries of said district to be so improved are as follows: All that portion of Depot Street, from the east curb line of Fourth street to the east side of Jefferson avenue. Notice is hereby further given that the Council will levy a special assessment on all the property affected and benefited by such improvement for the purpose of paying for such improvement. That the estimated cost of such improvement is the sum of \$16,724.58. That the Council will on the 23d day of February, 1910, meet at the Council chamber at the hour of 8 o'clock p. m. to consider said estimated cost, and the levy of said assessment, where a hearing will be granted to any person feeling aggrieved by such assessment.

La Grande, Oregon, Feb. 1910. By order of the Common Council of the City of La Grande.

**G. E. Tungsten Lamps Make
Electric Light Much Cheaper**

They have two and a half times the efficiency of the ordinary carbon lamp hither to in general use. The filament is made of a rare metal called Tungsten, which yields an intense brilliancy at a low cost. In shape and size the bulb is just like any other incandescent lamp. Why not a Tungsten lamp for your self? Get one of the 40-watt and use it some where in your house in place of one of your carbon lamps. Then observe the great difference. Note the clear white light exactly twice as brilliant and costing you one fifth less for electricity. General electric Tungsten lamps are destined to displace all others, for both store and house lighting.
