What an Abstract Contains

A complete abstract of title to a given tract of land contains:

A true plat of the land.

A concise statement of the "transfers" or changes in ownership of the tract, in logical order from the government down.

Special showing as to mortgages, taxes, liens, charges, or assessments of whatever kind that affect the title.

A certificate as to the search.

The certificate must mean something. The abstract is of no value unless it can be relied upon. If the abstract is issued by a reliable company, it will pass muster anywhere.

A GREAT MEETING

The Christian Church was well filled last night and Evangelist Whiston preached a great message on the subject "Fools." He portrayed the covetous, rich, atheistical, pleasure seeking and dying fools, and maintained that to live and die without covetous, rich, atheistical, pleasure posed in men. He said further that the term "Society" used in its modern sense was not compatible with Christianity. Any man is foolish who plans for time only and fails to prepare for eternity.

The evangelist will speak tonight on "The Conversion of a Good Man" and he especially invites parents to hear this message. By request the evangelist will sing "Life's Railroad" Come tonight at 7:40.
