Amalgamate Railroads

Chicago, March 5.—Amalgamation of the National Railway of Mexico with the Mexican Railway Company, Limited, was foreshadowed today by the withdrawal from active business of the freight and passenger offices of the Mexican Railway. Instructions were sent out from Chicago recently to the effect that all solicitation of freight and passenger business should cease. This order is believed to be a preliminary step in the plan for the combination of the two roads.

SOCIETY

A reception was given the new converts in the lecture room of the Central Church of Christ last evening. These converts came into the church through the preaching of Evangelist Whiston. In order to make their next engagement the evangelistic team left before the reception. Rev. Ford A. Ellis preached a "sermonette" and extended the invitation.

If you were about to select a dentist to keep your teeth in order what qualification would you look for in one?

With a clientele my second year more than double what it was the first, I believe I can assure you the public is satisfied with my qualifications and that I can please YOU. Plate work I conceded by dentists to be the most difficult part of a dental practice. We make hundreds of plates and I should be pleased to refer you to some of my patrons.
