

UNION HIGH ACTIVE

SENDS OUT SPLENDID PROSPECTUS OF THAT SCHOOL.

Nature of information circular and is well copied and printed

A very creditable circular of information concerning the courses faculty and extent of the Union high school is just off the press and a copy has been received by the Observer. The presswork, and general text of the material from cover to cover is good and speaks well for the energy and thrift of the Union students, teachers and board.

KING FAMILY BUSY

BIG ADDITION TO THE EVERETT CHURCH LAST YEAR

Former La Grande pastor writes from new Everett home.

Everett, Washington, March 8.—To Editor, Observer.—"The King family is busy. I never was more so for a year than during the last. One hundred and ten have been added to the church roll during my first year.

We are excavating for a new church workshop. "Billy" Sunday comes in June. About 15 churches will unite in a big meeting at that time. With best wishes,
O. H. KING.

BOYS TAKE FIELD

LA GRANDE HIGH WILL HAVE A FAST TEAM AGAIN

Union high to cross bats with locals two weeks hence.

With the track team squad already three days along in its spring training and an encouraging and a clever squad appearing for baseball practice last night and the fastest team that the high school has turned out in years will be a fact if the number of men trying for positions is any indication, and the well known ability of many of the squad, are matters that form criteria. All of last year's team, practically, is still here and there are several newcomers.

A game has already been provided for, and if weather permits, the season will open with Union high two weeks hence.

Childers and Meyers will comprise the twirling staff and if "Dad" Irwin and others will take turns at officiating behind the firing line.

ONE YEAR IN PEN

POET HUDSON GOT HIS WHEN ARRAIGNED TODAY

Stole goods from engineer and then wrote nice poem about it

E. H. Hudson, termed the poet-laureate of the Union County jail, and who was held in the bastille here for several weeks awaiting trial for stealing from an O. R. & N. engineer, was today arraigned on the charge.

He pleaded guilty, waived examination and was sentenced to one year in the penitentiary by Judge Knowles.

Recently he wrote a poem on his episode here telling how he went to sleep in an engine and woke up in the county jail. The wording of the "masterpiece" was not so bad, and the man evidently has some talent along that line. He will be taken to Salem at once.

The activities of the gang are said to have extended all over the country and many wealthy men are reparted among the victims.

Buying a Warranty
Did you know that placing your reliance up a warranty deed is simply bidding for a lawsuit?

In California this fact is so well understood that a warranty deed is looked upon with suspicion.

It is for this reason: If the title is good it passes with the deed, and that it all there is to it—no need of a warranty. If bad, the adding of a warranty does not make it good.

A warranty is only a sort of bet—a wager that you will have no trouble; but if you do, and finally lose out, I'll pay your money back.

A better plan is to require an abstract. Consult
