BUY SCENIC PLAY HOUSE

LOCAL SYNDICATE TAKES OVER
THE PLAYHOUSE

Moving pictures to be the sole attraction for the present at least

A syndicate composed almost entirely of local men, but some Eastern money, late yesterday took over the Scenic theatre in this city and soon after March 15th will open the place as a straight moving picture house. This will be the rule for the present, at least, as it is conceded that under present conditions, high class vaudeville is hard to get, and until that brand of fun makers is procurable, moving pictures will be the sole attraction at popular prices. B. M. Sherwood, the premier picture man of this city will be at the management of the institution.

S. A. Gradineer, the present owner and manager will close the place on the 15th and for several days the place will undergo a renovation.

Buying a Warranty
Did you know that placing your reliance up a warranty deed is simply bidding for a lawsuit?

In California this fact is so well understood that a warranty deed is looked upon with suspicion.

It is for this reason:

If the title is good it passes with the deed, and that it all there is to it—no need of a warranty. If bad, the adding of a warranty does not make it good.

A warranty is only a sort of bet—a wager that you will have no trouble; but if you do, and finally lose out, I'll pay your money back.

A better plan is to require an abstract. Consult
