### SOCIETY

A quiet wedding occurred at the home of Mr. and Mrs. Ed Grout last evening when Miss Grace, their only daughter and the only grand daughter of Mr. and Mrs. Ben Grout was united in the bonds of holy wedlock to Mr. Jack E. Brown, a prominent young man of the valley. Rev. Ford A. Ellis of the Central Church of Christ was the officiating minister. The bride was dressed in a beautiful dress of cream serge. Following the congratulations the friends and relatives sat down to a table bountifully spread. The bride and groom received many beautiful gifts. The following is a partial list and the names of the donors: A set of dishes and knives and forks from the bride's parents; fruit dish from the grand parents, Mr. and Mrs. Ben Grout; cake plate from Miss Millenburg, bread plate from Mr. Jas. Anson, cake plate and pie plate from Mr. and Mrs. G. W. Grout; spoon tray from Frank Grout; berry spoon from Miss Anna Meloy; set of spoons from Mr. and Mrs. Ruby; carving set from Harry Grout; table cloth from Mrs. Redhead; napkins from Geo. and John Ruby; bed spread from Fred Grout; lamp from Bert Grout.

## MRS. AMES IMPROVING

INDICATIONS ARE SHE WILL LIVE SAYS DOCTOR

Very slight improvement shown in her condition again today

Mrs. Ames, who was so horribly burned three days ago, today shows a slight sign of improvement and it is the opinion of Dr. Hubbard that she will live. Her suffering is, of course, only well commenced now and will continue for weeks, but she shows physical strength that is surprising, and unless she suffers a relapse, will recover. In that event skin grafting will become necessary. She has showed a continuous improvement for the past 24 hours.

They have two and a half times the efficiency of the ordinary carbon lamp hither to in general use. The filament is made of a rare metal called Tungsten, which yields an intense brilliancy at a low cost. In shape and size the bulb is just like any other incandescent lamp. Why not get a Tungsten lamp for your self? Get one of the 40-watt and use it some where in your house in place of one of your carbon lamps. Then observe the great difference. Note the clear white light exactly twice as brilliant and costing you one fifth less for electricity. General electric Tungsten lamps are destined to displace all others, for both store and house lighting.
