

SPRING OPENING

THE OPENING of a new season is an event of great importance in mercantile fields. After a winter of such severity, the beginning of the Spring season will be hailed with joy by everyone.

Knowing the unusual interest that will be manifested in Spring garments, we have taken great pains to prepare a display that is sure to interest and captivate women who appreciate the very newest and most beautiful in approved fashion.

Our First Showing of Spring Garments

Begins Saturday, March 12, and our main idea is that you call and see the garments. Whether you buy or not is of secondary importance. We want you to see these beautiful suits and coats—to try them on—determine the style and fit.

The "Palmer Garment" label attached to these garments is a sufficient guarantee of their excellence. The label tells more than an entire page of reading matter in regard to correct style, perfect fit, high quality and full value.

We invite you most cordially to inspect these beautiful high class garments. The display is a magnificent object lesson in all that is desirable in coats and suits
