## CO-ED WARBLERS INVADE THE CITY

ENTERTAINMENT AT BAKER CITY COMMENDED

Strong number of Lyceum course at L. D. S. tabernacle tonight

College co-eds, properly chaperoned and in tow of Walter Eccles, the premier entertainer, have spent almost the entire day in the city, awaiting the opening hour of their concert tonight at the L. D. S. tabernacle under the auspices of the La Grande Lyceum management. The girls entertained a large audience at Baker City last night and bring with them much praise from the people of that city. It is generally conceded that this is the best number of the entire course this year, and ticket holders have a treat in store for them.

The performance commences at 8 o'clock, promptly.

### WOMAN MURDERED.

In a Seattle resort, Jealousy supposed to have been motive

Seattle, March 29.—Bella McCormick, a beautiful young woman, was found murdered in a resort in the new restricted district at midnight, her throat being cut. Disorder in the room indicated robbery also. The body was identified by means of a card found on the floor. She came here recently from San Diego. The police suspect the murder to be the result of jealousy of a man with whom the woman formerly lived in the South.

The woman was later identified as Nora Gauthier, of Vancouver B. C. The police now believe the woman was murdered by a Chinaman.

### TACOMA FIRE

Olympic foundry suffers a loss of \$150,000

Tacoma, March 29.—The Olympic Foundry and Machine Works, located on the tidelands, burned at midnight, loss \$150,000. The Pacific Glass and Paint Works was scorched.

### Burns and Barry Bout.

San Francisco, March 29.—Under the auspices of Louis Blot, matchmaker of the Metropolitan Club, Jim Barry and Salinas Jack Burns are scheduled to fight 20 rounds this evening for half the gate receipts and as much glory as may attach to the affair. This latter is likely to be inconsiderable as the fight fans are not showing any great enthusiasm over the affair.

It was Louie's original intention to match Barry and Sam Langford, but after reflecting that Barry and Langford have met eight times in the past and both have lived to tell the tale, he switched to Salinas Jack Burns as Jim's opponent. The principal claim to fame of the Salinas person is that he recently faced the terrible Gunboat Smith and was not demolished.

### TENNIS TO BE REVIVED

Two clubs will take to tennis this year for pastime

The Lambda Phi Alpha, a club of young men of the Presbyterian church are out scouting for suitable grounds for a tennis court this spring, and will have one in working order just as soon as possible. There are about 29 boys in the club and as many girls in the auxiliary to it, which makes a big number of fans for that club alone.

The B. M. A. last Saturday night also decided to take up tennis as a branch of its athletic scope and that club, too, will school about 20 in the summer pastime.

### Dutch Minister Sails

New York, March 29.—M. Loudon, minister from the Netherlands, accompanied by Mrs. Loudon, sailed today for Europe. After visiting at London and other cities they will go to Holland to remain until October.

truly describes the brilliancy of this new Tungsten lamp for electric light. With the same amount of electric current its wire filament radiates from two to three times as much light as the ordinary carbon incandescent.

Use Tungsten Lamps in Your Home

They will cut your light bill in two or, double your illumination without extra cost. Try a G. E. 40-watt lamp at first. It consumes one-fifth less electric current and is twice as brilliant as the 16 candle power carbon lamp you now use.
