### NEWS ITEMS

The parish reception last evening at the residence of Mrs. C. E. Conkey was greatly enjoyed by those attending. Nearly all the adult members of the parish were present, besides several friends who came to manifest their good will. The evening passed in visiting and listening to musical selections, vocal and instrumental. Punch and light refreshments were served by members of St. Peter's Guild. One thing became very evident and impressed itself on those present, and that was the necessity of a guild hall for the good of the social life before the parish, which need will be supplied, it is hoped before the present building season.

Musical numbers of the evening were rendered by Mrs. George Birnie, Misses Berta Young and Stella Oliver and Mrs. Carlock.
