REAL POSSUM HERE

J. D. McKennon adds to menagerie in down town office.

A real live possum, that to a Southerner is sweeter than honey, is a subject of considerable study by pedestrians today along Adams Avenue. The animal is caged in the McKennon, Phy & Roberts office. It came here from the South some time ago and changed masters when Mr. McKennon found it in the home of a mountaineer. To many, the animal is rather a "circus" for in these Northern climes the "Taft Insignia" are not common sights.
