GOOD MINES AT PLANT GROVE JOSEPH AT HALL

ONLY A FEW MILES FROM CITY AND EASY TO REACH.

Considerable Work Has Been Done and Splendid Showing Made

Having perfect faith in the future of Joseph's mineral outlook William H. Eisenbers, of that city, was in La Grande last night on his way to Portland where he went to interest a number of capitalists in what is known as Lead Mountain mine.

The property is only six miles from Joseph and has one per cent grade the entire distance with the exception of two miles where it will be necessary to build a tramway if the ore is hauled in the easiest manner and with the least resistance.

According to the copper specimen displayed by Mr. Eisenbers there is little doubt but that those owning Lead Mountain have a paying proposition. The ore is very rich and carries some gold and silver. Splendid water power is obtainable close by and from the description given everything that could make a mine is near at hand.

Wallowa county is very well thought of in mining circles, and many well balanced mining men think the next mineral excitement will be in the region around Joseph. Such ore as that shown at the Foley hotel last evening will surely have a tendency to create an excitement no matter where located.

RAN OVER BY TRAIN.

Accident at Umatilla is Fatal to a Young Man.

William George Hesse, aged 24 years, and a son of Mr. and Mrs. John Hesse of Rosalia, Washington, died at St. Anthony's hospital about 4 o'clock this morning as the result of being run over by a passenger train at Umatilla yesterday morning relates the Pendleton E. O. Hesse was a laborer and was beating his way from Arlington to Pendleton, where he expected to go to work. He was stealing a ride into Umatilla on a blind baggage when the accident happened which cost him his life.

It seemed that he started to swing off the train just as it pulled into the station, or he was getting ready to do so when he was struck by the coal chute which comes close to the track. Though knocked nearly senseless he hung on for 25 or 30 yards, but was finally forced to let go and he fell with his lower limbs under the wheels.

The left leg was severed diagonally near the hip while the right foot was cut off above the ankle.

IMPORTANT QUESTIONS DISCUSSED BY GRANGERS.

County Farmers Display Their Intelligence on Weighty Questions

A large crowd attended the regular meeting of the Blue Mountain Grange Saturday, April 16. The Grange is making preparations to set out a grove and make other improvement around their hall. Several important questions to be discussed at the State Grange were taken up. How to enforce the weed law and fruit laws in regard to the spraying were discussed and will be brought up at the next Pomona Grange meeting in the hope of instituting a campaign against these two unenforced laws, as it is impossible for the law abiding citizen to keep their orchards or fields in condition while others pay no attention to such questions. An interesting literary and musical program was also furnished.

The Union County Pomona Grange will hold its regular meeting with Riverside Grange on April 23 at 10 a. m. Riverside Grange will furnish a literary program and banquet. Among other questions to be discussed will be the denatured alcohol distillery, good roads, bank guarantee and Postal Savings Banks and the new state constitutional amendments. This will be a very busy day and a large number of Grangers will be present.

BAKER LOSES OPENING GAME

First of Baseball Season Go To the Cove

An interested crowd watched the first ball game of the season at the Valley avenue grounds yesterday afternoon when Cove's veteran tossers hooked up with the local lights for nine good innings, says the Baker Herald. The visitors carried off the laurels by a score of 8-5.

Cove caught the lead with a score of three in the first inning but the home guard overtook their rivals early and went ahead with five runs. That, however, was the most they could do and when the Grande Ronde boys came strong at the finish, tying it up in the eighth and putting three more over in the last session, it was taps for the local colors.

Clarence Palmer was in the box for Baker and twirled a nice game until the last inning when he suffered a misfortune by being hit in the pitching arm. This lamed the little twirler so badly that he was unable to hold the visiting sluggers to the finish.

The Baker team lined up as follows: Gibson, c; Palmer, p; Clark, 1b; Fuller, 2b; Rochon, ss; Hogo-boom, 3b; Taylor, lf; Pugh, cf, and Fortune, rf.
