THE CHINESE COUNTED

JABBING IN CHINESE COLONY BOTHERS ENUMERATOR

Count Throughout the City Progresses Rapidly this Week.

La Grande's Chinese colony was enumerated today and Enumerator Willie Peare's experience would qualify him for interpreter for a foreign counsel. In some places he wandered upon "Chinks" who could actually talk a little understandable language but on the whole he was the center of a chatterfest that would discourage any one but the most seasoned athlete.

The count of La Grande's inhabitants is going on rapidly and as the time approaches for the enumerators to turn in their count, the odds and ends are being rapidly cleaned up. Really less difficulty has been experienced in La Grande than other towns, according to newspaper reports, and arrests are now coming to be daily occurrences in other cities, where citizens are peevish or obstinate about answering questions.

SETTLE HALL DISPUTE

BOLLINS TO COME TO CONFER ON THE MATTER.

Commercial Club will Soon Know if They Will Maintain Hall.

Within a few days the commercial club will ascertain much-sought for facts regarding the future of the Union county exhibit hall at the depot. Considerable misunderstanding has been prevalent of late as to what was to be done with the hall, the O. R. & N. being much in favor of removing the building from their premises. Superintendent Bollings is coming to La Grande soon to come to a final understanding in the matter, according to letters received by President Collier of the commercial club in this matter.

Raisin Day, April 30, 1910.

The above date has been set apart as an annual event by the people of California in which all are asked to join by eating raisins in the form of "Raisin Bread" or in any form that may be desired. The object of this special day is to create a widespread raisin sentiment that will result in a greater demand for that fruit, and to direct the attention of all good housewives to the excellence of the raisin as an article of food. The good people of the northwest are invited by their neighbors to participate in the pleasant custom and "break" raisin bread on April 30th. 4-30.

NOTICE FOR PUBLICATION. Department of the Interior.

U. S. Land Office at La Grande, Oregon, January 24th, 1910.

Notice is hereby given that Walter E. Pratt, whose postoffice address is Alice, Oregon, did on the 24th day of June, 1909, file in this office sworn Statement and Application, No. 06723, to purchase the S 1-3 NE 1-4, Section 8, Township 2 South, Range 40 East Willamette Meridian, and the timber thereon, under the provisions of the act of June 3, 1878, and acts amendatory, known as the "Timber and Stone Law," at such value as might be fixed by appraisal, and that, pursuant to such application, the land and timber thereon have been appraised, \$245.00, the

timber estimated 205,000 board feet at \$1.00 per M, and the land \$40.00; that said applicant will offer final proof in support of his application and sworn statement on the 21st day of April, 1910, before the Register and Receiver, United States Land Office, at La Grande, Oregon, test this purchase before entry, or initiate a contest before patent issues, by filing a corroborated affidavit in this office, alleging facts which would defeat the entry.

F. C. BRAMWELL, Register.

Buying a Warranty

Did you know that placing your reliance upon a warranty deed is simply adding a lawsuit?

In California this fact is so well understood that a warranty deed is looked upon with suspicion.

It is for this reason: If the title is good it passes with the deed, and that if there is to be no need of a warranty. If had the adding of a warranty does not make it good.

A warranty is only a sort of water that you can have no trouble; but if you do, and finally let out, I'll pay your money back.

A better plan is to require an abstract. Consult
