GREAT BATCH OF WORK

CITY COUNCIL HAS LONG STRING OF BUSINESS

Turns Out Vast Amount of Finished Products in One Meeting

Most may in his day have had a scoring machine in his foot ball squad at Michigan, but Mayor E. L. Meyers has a law making machine that can grind out more business in four hours than the House of Representatives can in a week. From 8 o'clock last night until almost midnight the lawmakers kept up a continuous stream of work without a stop, and much indeed was accomplished.

Much Improving

La Grande is a poor and disagreeable community for an obstructionist. It would have pleased the boomer and hooster to have heard the string of improvement petitions handed to the council last night. Cement sidewalks, hard-surface paving, water mains, side walks of the wooden kind, all wanted by earnest prayers by property owners. The list of petitions was a large one and included in them are the following.

The improvement commission on the improvement to third street was adopted. Wood curbing however being substituted by cement curbing. Improvement of Jefferson from the east side of Third to the east side

of Fourth and Jefferson Ave. Committee's report adopted on improvement of Seventh street from Penn. to Washington.

Petition granted for water main on X avenue.

Appointment of a road tax collector with instructions to assist the street superintendent was discussed at length, and referred to committee.

Contract closed for purchase of 7686 feet of 18 inch wood pipe and a large quantity of smaller pipe for replacing Adams Ave. mains.

Merchants can display their goods on the sidewalk if the stand is seven inches above the walk and less than 12 inches wide.

Next Wednesday night all improvement districts will be given a chance to remonstrate. This includes much of the additional street and sidewalk improvements planned the past month.

A consulting engineer will be employed by the water committee to look over the plans for the sewer system.

Clear up day is set for next Wednesday and the council will adjourn the Neighborhood Club.

A petition for four blocks of two foot mains on Spring avenue was granted.

A petition for a long stretch of four inch main on Klamath and other streets in the vicinity of the Palmer boarding house was granted.

Cement sidewalk on Fourth from O. to Depot, granted.

New Petitions Were

Petition for water main on North Depot from W. to U. avenues.

Petition for four inch main on Washington for a distance of three blocks.

One block on North Spruce street

wants plank sidewalk.

Cross walks asked for on Spruce and Walnut.

Street crossing is asked for on Spruce and Walnut.

Other Business Transacted

The bill of \$44 for W. T. Grider as poundmaster was cut down to \$2. A small batch of routine bills was allowed.

The near beer ordinance calling for a license of \$500 annually was passed without amendment.

Appointment of an assistant water superintendent at \$85 per month was ratified.

TEAM INVADE UNION

MANY ROOTERS WILL ACCOMPANY THE BALL TOSSERS

Will Attempt to Make It One all With Union Baseball Team

Unless unforeseen things prevent the La Grande high school baseball team will go to Union next Saturday to meet the Union team which some time ago defeated the local youngsters on their own lot. Many of the co-eds of the school are planning to attend as rooters and several carriages and automobile parties will leave here Saturday morning.

The team is confident of winning out the defeat last time and if they win, will "hook on" for the third and final game with Union.

JUDGE EAKIN GOES TO VALE

Supreme Justice B. H. Eakin, formerly a resident of La Grande and judge of the circuit court here before his election to the state supreme bench, passed through the city this morning on his way to Vale on business matters. ROOSEVELT ON WAY AGAIN

COLONEL GIVES FAREWELL TO FRANCE TODAY.

Praises Paris and Praises France Before Taking Leave

Paris, April 28.—Colonel Roosevelt left this morning for Brussels, being attended at the station by many celebrated men of France and many Parisians who gathered to give him a hearty farewell. "Paris is great. France is great. Have had a splendid time and will never be able to thank you enough," was Roosevelt's parting message as the train pulled out.

Brussels, April 28.—A tumultuous welcome was given Roosevelt when he arrived here today. Burgomaster, and American Ambassador Byran met the Colonel at the station. Thousands gathered at the depot to welcome the American visitor. The Colonel was notified by representatives of King Albert that the King would await him at the Great Exposition Hall this afternoon, and would formally welcome him at a public reception. Later the King and Roosevelt rode together to King Albert's country place at Laken and afterwards Mrs. Roosevelt, Kermit and Ethel joined them there.

The Roosevelts were guests of the King at a magnificent state dinner at which were present the leading civic and military dignitaries of Belgium.

The Roosevelts start from The Hague tomorrow.

Ballinger On Stand Saturday

Washington, April 28.—The Ballinger investigation committee today rebuffed Attorney Brandeis, who is representing Louis Glavis, when he requested that they allow him to demand that Attorney General Wicksham be called upon to produce certain documents showing the exact date his famous summary was prepared. These papers were prepared by Wicksham at the request of President Taft and formed the basis of the President's letter exonerating Ballinger. The date of the summary is deemed important by the prosecution which seeks to show that Wicksham prepared the summary after the president's letter was written. Attorney Vertrees, for Ballinger, said today that he expected the end of the hearing next week. Ballinger may be called on the stand Saturday.

Banker Heinz Jolted

New York, April 28.—Judge Hough

today ruled that evidence pertaining to the condition of the Mercantile Bank in August, 1907, is admissible in the trial of F. August Heinz charged with the over certification of checks. The ruling is considered a severe blow to the defense. The judge further ruled that the government must show the effect on the bank of loans alleged to have been made to Otto Heinz. In the course of the day Cashier Emil Klein on the bank testified that several times in August, 1907, the bank's cash was below the legal requirements because of loans made to Heinz & Company.
