

ELECTRICITY
FOR EVERY HOME
IN LA GRANDE

The cost for wiring, lamps and current is exceedingly small compared with the convenience, comfort and safety obtained by its use.

Your home can be wired complete at an average cost of only \$2.00 per room. Lamps, fixtures, radiators, cooking utensils and numerous other electrical appliances may be obtained at surprisingly low cost.

Ask your neighbor why he uses electric light; he certainly has some reason for doing so, and then call at our office or our representative call at your house and explain to you why you should have your home wired and use electricity.
