

ELECTRICITY FOR EVERY HOME IN LA GRANDE

The cost for wiring, lamps and current is exceedingly small compared with the convenience, comfort and safety obtained by its use.

Your home can be wired complete at an average cost of only \$2.00 per room. Lamps, fixtures, flatirons, cooking utensils and numerous other electrical appliances may be obtained at surprisingly low cost.

Ask your neighbor why he uses electric light; he certainly has some reason for doing so, and then call at our office or our representative call at your house and explain to you why you should have your home wired and use electricity.

JEFF CAN'T COME BACK.

So Says Billy Delaney, His Old Manager.

Billy Delaney, the veteran manager and the man who made Jeffries the heavyweight champion of the world, does not believe that the big fellow can come back. Although he has not seen Jeffries in his recent workouts, he has watched his movements very

closely since the former champion started out on his theatrical tour, and now Delaney has about come to the conclusion that Jeff has bitten off a larger hunk than he can chew.

"Those severe sweating spells are bad for the big fellow, and, in my opinion, they show signs of internal weakness," said Delaney. "Jeffries never can come back and fight if he stiffens up and sweats, fails to respond to rubbing and treatment, as they tell me he does. It's too much to think that a man of his build can stay out of the game for five years and then expect to come on and regain his lost speed. I may be mistaken, but I have had forty years of experience with the best of them, and I can't see where Jeff is an exception.

"This statement coming from me may not be taken seriously by men who know that Jeff and I have split up, but nevertheless I am giving my candid opinion of the big fellow. When I had him he was like a bull, and he never stiffened up. His perspiration was natural, and his excess weight always came off slowly, but surely. He never worried while in training camp. He was a hard man to manage, but what I said generally went, although I used to have many a tough old time trying to make him do as I wanted.

"I have not seen Jeff in training, and I don't want to. We have parted forever."

Outfielder Ray Demmitt, who was a Highlander for one year, is doing pretty well with the stick for the St. Louis Americans.

Pitcher Summers of Detroit is a vegetarian. This season he will propel the pellet on energy extracted from vegetables and fruit.

Outfielder Wheat of Brooklyn batted .304 for twenty-six games last year, and his hitting so far this year indicates that he is no false alarm.
