

**IT MAKES OLD THINGS NEW**

# LIQUID VENEER

IT ALSO keeps them new. There will be no old, dull looking furniture or dingy woodwork in homes where this wonder-worker is used. No refinishing or revarnishing necessary. Liquid Veneer is not a varnish, but a surface food and cleaner that builds up the original finish and makes it brighter than ever. It instantly restores the brilliant newness and finish of Pianos, Furniture, Picture Frames, Interior Woodwork, Hardwood Floors and all polished, varnished or enameled surfaces. Removes scratches, stains, dirt and dullness. A child can apply it. Nothing but a piece of cheese cloth is needed and there is no drying to wait for.

**Summer School**  
 The Baker City Normal Business College of Baker City is making preparations for a large attendance at the summer school next month. Those who expect to teach the coming year or to take the August examination will receive great help by spending six weeks under skilled instructors who will put forth every effort to help each one to pass with high markings in the teachers' examination for county or state papers. Those wishing to take business or shorthand and typewriting courses will receive the attention of masters in their specialties. Full information will be sent by addressing a post card to the Baker City Normal and Business College, A. L. McCauley, Prin.

**UMPIRES BELIEVE WHAT CLYDE MILAN SAYS.**  
 Clyde Milan, the Washington American's clever outfielder, is one of the few players in whom the umpires have implicit confidence. This was illustrated in the sixth inning of a recent game with New York. Milan was barely touched by a pitched ball and ran down to first. The New York players protested. Evans called Milan back to the plate, and thinking that Evans was not going to allow his claim of having been hit, Milan started to pick up his bat. "Did that ball hit you, Clyde?" inquired Umpire Evans. "Yes; it just touched my shirt," was the reply. "Well, then, take your base," ordered Evans.
