

ELECTRICITY

FOR EVERY HOME

IN LA GRANDE

The cost for wiring, lamps and current is exceedingly small compared with the convenience, comfort and safety obtained by its use.

Your home can be wired complete at an average cost of only \$2.00 per room. Lamps, fixtures, flatirons, cooking utensils and numerous other electrical appliances may be obtained at surprisingly low cost.

Ask your neighbor why he uses electric light; he certainly has some reason for doing so, and then call at our office or our representative call at your house and explain to you why you should have your home wired and use electricity.

If You Want a Maxwell this Year
You will have to hurry

It takes 40 freight cars every day to move the output of the Maxwell-Briscoe at the factory at the present time and before the end of the month that number will be increased to 50, a daily average product of 118 cars. President Briscoe promises 140 cars per day before July.

Red Halo Sign of Love.
St. Louis, May 24.—A young man very much in love wears an invisible but none the less real aura of red about his noddle. After marriage, if happy, the scarlet halo, signifying passion, will become streaked with blue, which is the color of devotion. If he falls to pick a winner, and his wife, clad in a kimono and curl papers, asks for money, his aura will assume a greenish tinge, that being the color of disgust. These statements were made today on the authority of Dr. E. F. Tustin, an authority on auras, spooks and such, who has spent many years sorting out and investigating the halo subject.
According to Dr. Tustin a pale pink aura signifies a Platonic friendship, while a color akin to a boiled beet tells the tale of undying affection.
If a man loves a girl for her money the red is tinged with brown, signifying selfishness and greed. Too much brown is a bad sign, following out the theory and prognosticates an unhappy union. It even might be said

a slight tinge of salmon color would indicate the young lady was fishing for the man.
