SEATS SELLING RAPIDLY FOR COMING COMMENCEMENT

Interesting Program Stated to be Carried Out This Evening

Seats will be at a premium tonight judging from the advance sale, when the class of 1910 will be graduated from the La Grande high school at the Steward opera house. In many ways the commencement will differ from the customary in this city and instead of features that were formerly carried out, other customs will be adopted for the occasion. Attorney C. E. Cochran will deliver the commencement address. The program will be carried out as announced in the Observer a few days ago.

Warning Against Fires

Spokane, May 27.—Western Forestry and Conservation association, of which Albert L. Flewelling of Spokane, is president, has perfected a plan to utilize certain departments of the railroads operating in Washington, Oregon, California, Idaho and in Montana in warning the people in the five states against carelessness with fires in the forests during the summer months.

E. T. Allen, forester of the association, made the foregoing announcement while in Spokane, and outlined the plan in brief as follows:

"Forest protection is of the utmost benefit to all our people, and we believe we can enlist their co-operation in this work. With that end in view all ticket envelopes, time tables, folders and pamphlets describing mountain, lake and forest resorts for the western distribution will contain suggestion as to how to avert camp and other fires, also the means to be employed in combatting the element. Booklets dealing with the same subject will be placed in observation cars and placards are to be posted in the waiting rooms of forest stations. The association will bear the extra expense occasioned by this work."
