

ELECTRICITY FOR EVERY HOME IN LA GRANDE

The cost for wiring, lamps and current is exceedingly small compared with the convenience, comfort and safety obtained by its use.

Your home can be wired complete at an average cost of only \$2.00 per room. Lamps, fixtures, flatirons, cooking utensils and numerous other electrical appliances may be obtained at surprisingly low cost.

Ask your neighbor why he uses electric light; he certainly has some reason for doing so, and then call at our office or our representative call at your house and explain to you why you should have your home wired and use electricity.

**To Be Afraid of
Large Corporations
is Un-American—
Control Them!**

By GEORGE W. PERKINS, Member of the Firm of
J. Pierpont Morgan & Co.

ASK YOU TO THINK SERIOUSLY WHETHER IT HAS BEEN SO MUCH THE MACHINATIONS OF WICKED MEN THAT HAVE BROUGHT US WHERE WE ARE OR THE INVENTIONS AND DISCOVERIES OF THE AGE, INVENTIONS WHICH IN THEMSELVES HAVE BEEN ACCLAIMED AND APPLAUDED AS GREAT ACHIEVEMENTS.

Were these inventions simply to be laid away on a shelf or were they to be put to practical use? Was the long distance telephone to be a plaything or a practical instrument of commerce? WHY APPLAUD THE INVENTOR AND BERATE THE USER?

The attempt by humans to make laws that will nullify conditions that have come about through the conquest of the mysteries of nature will never succeed. One might just as well attempt to LEGISLATE AGAINST LIGHTNING. If this country does not want business done with the instruments that inventors and discoverers have placed in the hands of business men, then ERADICATE THE CAUSES, not the results. Begin by ELECTROCUTING EDISON AND MARCONI. APPREHEND THE WRIGHT BROTHERS and put them behind the bars.

The people have witnessed abuses, glaring abuses, in business methods. They have suffered under many of these for years and have found no remedy. They have been told that these abuses came about largely BECAUSE OF THE SIZE to which certain business enterprises had grown. For want of a better reason and for lack of real thought many have accepted that one. How UN-AMERICAN TO BE AFRAID OF A THING BECAUSE IT IS LARGE!

THE TRUE AMERICAN, HE WHO THINKS DEEPLY, LOGICALLY, HAS NO SUCH FEAR OR BELIEF. IT ISN'T THE SIZE THAT HE FEARS; IT IS THE METHODS FOLLOWED. HE FEARS THE MANAGEMENT OF A GIANT ENTERPRISE THAT IS SECRETIVE, THAT DOES NOT RESPECT PUBLIC OPINION, THAT DOES NOT REALIZE THAT WHEN ITS SHARES ARE OWNED BY THE PUBLIC ITS MANAGERS ARE SUBSTANTIALLY PUBLIC SERVANTS. HE FEARS THE METHODS OF THE BLIND POOL—THAT IS ALL. HE WANTS TO KNOW, AND HE HAS A RIGHT TO KNOW FROM DISINTERESTED THIRD PARTIES, WHAT IS BEING DONE BY A GREAT BUSINESS ENTERPRISE IN WHICH HIS MONEY IS INVESTED OR WHICH IS HANDLING A COMMODITY THAT AFFECTS HIS DAILY LIFE.

Giant corporations would be not a menace, but a great PUBLIC BENEFIT, if managed under laws that would COMPEL PROPER PUBLICITY AND PUNISH OFFICERS FOR IMPROPER METHODS.
