### VISITORS FROM CHINA.

Some of Her Most Noted Men Here to Learn Our Methods.

One more proof that China is in earnest in her intention to modernize that country and bring it more into touch with present day western conditions is shown by the recent arrival in America of a distinguished party of Chinese, who will study our ways. Lord Li Ching Tai heads the party, and he has a noted aid-de-camp as traveling marshal. This is the chief secretary of the mission, Lord Li Ching Mai, a son of the late Li Hung Chang.

GENERAL HA HANG CHANG.

Lord Li, who is a banker general, has been minister plenipotentiary to the court of Austria-Hungary. He is an accomplished diplomat, speaks English fluently and is a progressive statesman of the new school.

Another prominent man in the party is the well known Chinese strategist General Ha Hang Chang, chief of the general staff. After a short stop at San Francisco, where they landed, the visitors went to Washington to pay homage to the president and will visit almost every state in the Union.

### JEFF'S CALLER.

Ben Lomond's Visitor Came From Afar With a Queer Request.

The other day Jeffries had a caller at Ben Lomond, where he is getting into shape for his battle with Johnson. The visitor was one of the worst looking hoboes seen in those parts in years, over six feet in height and as thin as a lath. Although ragged and dirty beyond description, there were a joyous light in his eyes and a broad smile on his face when the big pugilist glanced up from his work and caught the first sight of him. At the time Jeff and his

"How many times have I told you fellows to pick up the rubbish that accumulates around here! Throw that old bunch of rags in the rag bag at once!"

"One mink, pard," said the tramp as three or four of them rushed for him. "Jest let a guy drop a word, can't yer?"

It ails rests me so ter see some big chump workin' his head off dat I've beat it 'way from Kansas to watch yer. Say, lemme stay an' git fat, will yer?"

Jeffries joined heartily in the laugh that followed, and no further attention was paid the fellow, who drops around regularly when the men are at work in the woods and grins and chuckles as he watches them.

Fully nine out of every ten cases of rheumatism is simply rheumatism of the muscles due to cold or damp, or chronic rheumatism, neither of which require any internal treatment. All that is needed to afford relief is the free application of Chamberlain's Liniment. Give it a trial. You can't be pleased with the quick relief which it affords.
