

WISE TALKS
By The
OFFICE BOY

The other day I heard a fellow telling what happened to you when you make calls upon your best girl. He said: "You go to adore, you ring a belle, you give your name to a maid—and then you are taken in."

Ge, b-t there's some class to that. Yes? It's no joke when we say that we have always sold the best dollar and a quarter shirt offered in all this whole country, and the reason is that we pay more for them and take more pains in selecting the makers. And our \$1.25 shirts are better than ever. They are cut large and full and they fit. They fit around the neck and they fit across the chest and back, and they fit over the shoulders and you don't have to re-tail them but we do. So come in and ask for the pazzaza man who will show you the new frills in shirts, also thrills in neckwear.
