LADIES' FURNISHINGS.

If it is a Suit, a pair of Gloves, some Hosiery, or Underwear, a trimmed Hat, a neat pair of Oxfords or a Silk Dress you may have in mind we can show you a nice line and at prices too that mean a neat saving to you.

BOYS READY TO WEAR LINE

A great many of us can remember the time when it was the custom for women folks to make the boys' suits and pants and other articles of wearing apparel needed by the little man. You can't afford to bother with these things

any more. You can buy them cheaper and they look nicer and are better than the average woman can make. You don't have to do any sewing at all. If you have a boy to dress at this time a couple of good wash suits is what he needs and they can be had at \$1.40 to \$1.65. Besides these he will need a nice Hat pair of Shoes and some Stockings; also some Summer Underwear and your boy is fitted out.

Nice Underwear for children is the Union Suit in bright bal brigan. We sell it in all sizes for boys at 50c per suit.

GREAT EXODUS TO UNION SHOW

TEAMS, AUTOS AND TRAIN PRESSES INTO SERVICE ALL DAY.

Unprecedented Delegation Visits the Union Stock Show.

Commercial activities are at a complete standstill in La Grande today, following an unprecedented exodus from the metropolis of the valley which commenced at sunrise this morning and continued until even after the noon hour. The greater portion of the delegation to Union left La Grande at 10 o'clock on a special train with great tooting of horn, beating of drum fluttering of ribbon and all given color with gay and holiday airs by something like 700 citizens of La Grande.

An automobile caravan composed of more than 20 autos, all carrying capacity loads, commenced to point their lights toward Union at daylight and it was afternoon today before

the last one had gone. A dozen parties left with private teams, many of them carrying lunches with the intention of making the day a picnic-like affair.

Only a few public offices are open—otherwise the town is deserted as far as commerce is concerned.

THREE MAYORS IN SUFFERING

HOT LAKE SCENE OF AN AMUSING INCIDENT YESTERDAY.

Items of General Interest from "Lake" Sanatorium.

Hot Lake June, June 3.—Special—Summer has been properly announced at Hot Lake. The circus bill poster has arrived and all the blank walls have been decorated with the usual paper lions and impossible flying ladies.

One family is represented by four generations here this week. The great grand mother is accompanied by her daughter, her grand daughter and great grand daughter. The entire family were able to take dinner in the grill today.

Harvey W. Scott and son L. W. Scott are Sanatorium patients today. To be more exact Mr. Scott, the great Oregonian editor, is a patient and Mr. Lester W. Scott is the guest. Mrs. Scott accompanied by Mr. Scott's sister is expected to reach Hot Lake this evening.

The mayors of three Idaho and two Washington towns all met in the lobby this morning. The meeting had every appearance of a municipal congress. Each mayor expressed himself as having the honor to represent the best town and hardest job. It was discovered that all had rheumatism so it was voted that worry and hardship encountered in the various city halls were about equal and in case any one of them felt that they were being over worked their

Airdome Opens Tomorrow.

Tomorrow evening at 8:30, the new summer theatre, the Airdome, will open its doors to the public, and from all appearances standing room will be at a premium, as La Grandites love a stock company, and then there has never been as large or cool a place used as a theatre in the city. The Airdome will in reality be a substitute for a park, a place where a person can go and take his family, hear good music see as good a show as one can see in a large city, and have a good time during the evening

—and the whole thing won't cost him as much as one ticket to a big road show.

Mr. Lowe has a company superior to any stock company ever seen here, the company numbering twelve people, and theatre goers will only have to see the opening bill "The Minister's Wife," to appreciate this fact.

resignation might be accepted if the matter was properly presented to a citizen's meeting.
