\$15.00 Suits a much larger assortment and a good substantial suit in every way—a garment that will hold its shape and always look well.

There is nothing that looks so nice in the home as a table all set with nice dinner ware "when one is good and hungry." We quote Johnson's English. Sum-Porcelain:

LADIES' FURNISHINGS.

If it is a Suit, a pair of Gloves, some Hosiery, or Underwear, a trimmed Hat, a neat pair of Oxfords or a Silk Dress you may have in mind we can show you a nice line and at prices too that mean a neat saving to you.

BOYS READY TO WEAR LINE

A great many of us can remember the time when it was the custom for women folks to make the boys' suits and pants and other articles of wearing apparel needed by the little man. You can't afford to bother with these things any more. You can buy them cheaper and they look nicer and are better than the average woman can make. You don't have to do any sewing at all. If you have a boy to dress at this time a couple of good wash suits is what he needs and they can be had at \$1.40 to \$1.65. Besides these he will need a nice Hat pair of Shoes and some Stockings; also some Summer Underwear and your boy is fitted out.

Nice Underwear for children is the Union Suit in bright bal brigan. We sell it in all sizes for boys at 50c per suit.
