

WHO BUILDS the CITY? WHO?

A tailor who is capable of taking measures. Our Ladies' Tailormade Suits are made in the East. Satisfaction Guaranteed.

W. W. Berry Co.

Big Crowd to See Comedy.

That the Airdome is gaining popularity is attested by the big audience

that saw "Who's Your Wife" at its initial performance last night. Too much praise cannot be given

Mr. Lowe and his company for the way in which this piece was handled—every one in the company being cast to

the best advantage and the audience was kept in an uproar from the first curtain.

The band concert in front of the Airdome last night served to enliven things on the streets.

"Who's Your Wife" will run to-night and tomorrow night and Sunday night the famous "In Old Kentucky" will be presented, when Miss Louise Kelley will be seen in one of her favorite roles.

SUNDAY PROGRAM READY.

Chautauqua Committee Will Introduce Noted Speaker First Sunday.

Chautauqua affairs were discussed at length at a meeting of the executive committee last evening in the Commercial club. Chief among the affairs of the meeting was the establishment of a definite program for the first Sunday of the Chautauqua week. The festivities and exercises that day will commence with a monster joint Sunday school, followed by a sermon by Doctor G. L. Powell of Minneapolis, classed as one of the leading orators and thinkers of his section of the country.

During the afternoon the La Grande band will conduct a sacred concert to be followed in the evening by a concert again, and at 8 o'clock Doctor Powell will again be heard. This time he is to deliver a lecture.

The matter of supplying hotel and restaurant accommodations to those who will camp on the grounds during the life time of the Chautauqua, was practically decided when the Ladies' Aid of the Methodist church entered into a tentative contract to do the work.

Matter of sports for the fourth of July celebration was discussed at some length and within a day or two definite announcement of the program for the afternoon of the fourth will be announced.

Complete equipment for resetting and repairing rubber buggy tires.

CANTALOUPE ARRIVE.

Local Market Carries Lucious Summer Product Once More.

Cantaloupes are in the local markets for 1910. The varieties on hand are selling at 20 cents for the largest and two for 35 cents where the smaller kinds are selected.

COMMENCE PAVING PRELIMINARIES.

Storm Sewers and Gutters Will Be Commenced Here Tomorrow Morning.

The first act in the stupendous amount of street paving to be done this year in La Grande, will be taken tomorrow when sub-contractors commence the construction of storm sewers and gutters and curbing. The contractors are in the city today and are shaping things up to commence

tomorrow. It is planned to construct the storm sewers on Depot street first and when that is done the other streets will be cared for.

This is the first step in paving, and once under way nothing will be permitted to infringe on speedy consummation of the big contract.

Free! Free!

High Grade Natural Tone Talking and Singing Machine FREE.

Call at our store and hear the specially prepared Records of Bands and other instrumental Music, Songs, Stories, Recitations, etc., and assure yourself that this is the best offered. You Buy Only the Records.

These Records are Famous for their Tone and Quality

As a home entertainer it has no equal. The best talent in the country is brought right to your fireside to while away the long evenings with comical recitations and songs. An impromptu dance may be gotten up at a moment's notice and here you have the best orchestra of the country to play the dance music. Or you may wish to learn a song and what better instructor can you have than one of the Peerless singers to phrase a song over and over again if need be. The possibilities of this wonderful little machine for instruction and amusement are endless.

Description of Instrument

THE CABINET—Made of heavy, solid oak throughout. Corner posts are made with fluted moldings.

NICKLED TONE ARM—The latest triumph of scientific research, producing the largest volume and purest tone quality, eliminating the metallic scratch so common in the ordinary type of machine.

THE MOTOR—Of special strength and construction, unusually durable.

TURN TABLE—Ten-inch diameter, accommodating any size disc record.

STANDARD ANALYZING REPRODUCER (Sound Box)—Insuring the most perfect reproduction of any known sound; fitted with automatic needle clamp, permitting of the instant releasing or fastening of the needles.

SPEED REGULATOR—Permitting the ready adjustment of the speed to suit the individual fancy or requirements such as for dance music or speaking records.

FLOWER HORN—Seventeen inches in length, with a fifteen-inch flared bell. Finished in a beautiful, deep, rich red enamel, and decorated with gold stripes.

One Standard Talking Machine with Handsome Flower Horn FREE to every Customer whose Cash Purchases amount to \$100.00.

Customers to purchase 10 10-inch Records at time of getting machine and 10 each month for two months thereafter
