**Magnificent Display.**

Everyone turns out to see a circus parade, and the crowds that gather to watch the grand spectacular parade given by Campbell Brothers Big Consolidated Shows when they exhibit in La Grande on June 16th will witness one that is unexcelled anywhere today.

Horses are always a leading feature with every circus, and Campbell Brothers have spent years in raising and training their hundreds and hundreds of fine horses that are exhibited both in the free street parade, and in the various ways under the big top.

The horses are attractive, but we must not fail to mention their riders, scores and scores of really beautiful women, gaily and magnificently costumed and all exhibiting different feats of horsemanship and daring. Then, there are the almost ungovernable horses and bronchos that are mounted by cowboys; and the troop of Russian Cossacks, whose services Campbell Brothers have secured direct from the Steppes of Russia, at enormous expense, and who are famous the world over for performing the most wonderful and reckless feats of horsemanship.

also many other features too numerous to mention--that are always a part of every circus, as groups of beautiful women posed as various characters on the huge glittering wagons, bands of music and clowns, to say nothing of the valuable menagerie that is carried with these shows.

**YANKEE COMPANY IN TROUBLE.**

Branch of Standard Oil Company in Vienna is Not Satisfactory.

Vienna, June 10.—In hope of protecting Austrian oil interests, the Austrian ministers of finance, commerce and labor, have decided to curtail the Vacuum Oil company, a branch of the Standard, in every legal way possible. They plan to take advantage of every technicality in mining laws. If these measures fail, it is probable that legislation against the American company will be asked for.

**Fair Sale Big Event.**

The sale being conducted at the Fair Store is said by the management to be the largest and best patronized of any yet held by that store. The large crowd of shoppers streaming in and out speak louder than words of the popularity of the sale.
