Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Isiam Temple of the Mystic Shrine.

The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51 5-6, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet.

The time for the five mile handicap was as follows: Maxwell, King, 4.40.30; Oakland, Nelson, 4.48.25; Chalmers, West, 4.49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth.

In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8.19.30.
