### SELAK ACCEPTS POSITION AT HOT LAKE

INSTITUTION THERE WILL HAVE A BAND OF HIGH CLASS.

Twenty Places to Comprise Musical Organization at Once.

Hot Lake sanatorium is to be equipped with a twenty-piece band, under the direction of Prof. Selak, who for the past two years has handled the baton for the La Grande band, and who brought the standard of efficiency of the local organization up to a high level. Mr. Selak went to Hot Lake today and hereafter will be permanently located there. Twenty musicians who are now employed in various capacities at the Lake will be members of the institution and will be rehearsed daily. An orchestra of considerable size will also be drilled daily and just as soon as possible the musicians taught to play together and to increase the efficiency of those who will comprise the organization.

Mr. Selak will not sever his connections with the local band immediately and for the next two months will come to La Grande to rehearse the local organization, with which he has been a faithful worker since coming to La Grande. The band will be housed in a separate building at the sanatorium and will not be mediocre in its capabilities but the management intends to place the band on a high standard among bands of the state.

### BAKER QUIETS DOWN.

With Hinton in Jail Again at Baker, Excitement is Abating Some.

Baker City, June 13.—Special—Gossip and speculation has subsided here today following the return Saturday night of Sheriff Rand from Portland with Ben Hinton, the man accused with Deputy Sheriff Cassidy of lynching Ollie Snyder in Prairie City. Hinton wants to plead guilty and make a full confession, and with the state urging him to do it and his own attorneys trying to prevent it, his fellow prisoner in the Prairie City jail Deputy Sheriff Cassidy—is said to have threatened Hinton with bodily injury if he gave a confession. It appears that Hinton was spirited away secretly and taken to safe keeping at Baker City, but why he was hauled to Portland and kept in the Multnomah county jail for several days and then returned to Baker City Saturday night, is rather undetermined, and officials refuse to comment on the incident.

### M. Well Is Ill.

M. Well, for years one of the foremost of Baker City's merchants, yesterday sustained an attack of acute diabetes so severe that for a time his life was despaired of. However, late last evening, it was reported from the Well home that the sufferer was slightly better and that hopes were entertained for his recovery, says the

Sunday morning Baker City Democrat.

Mr. Well has been a sufferer from the disease for several years, but after an operation in Chicago something like a year ago had partially recovered and was feeling in very fair health until yesterday.

When stricken Mr. Well was at the M. Well & Co. Shoe store, assisting in the business. He had climbed a ladder to take care of some stock when he became suddenly dizzy and called for assistance. Immediately he was taken to his home, corner Second and Baker streets, and became unconscious, in which condition he lay for several hours. For a time his life was despaired of and Carl Dilheimer, his brother in law and partner, and his daughter, Miss Hortense,

**Marlin**

WHETHER you live in the city or country, you'll find no .22 caliber repeating rifle like the Marlin Model 1897. For the city man it is a perfect companion for the vacation or outing trip. It's light, takes down and packs in a small space. The ammunition is inexpensive. The gun can be used with .22 shorts for target and is equally capable of handling .22 long or long-rifle cartridges without change of mechanism.

On the farm the rifle is a necessity. The short cartridge is sufficient for sparrows, squirrels and small game; and the long-rifle cartridge makes the Marlin Model '97 a distinctive weapon for quail, foxes, hares, etc. up to 200 yards.

The "Marlin Book" of 128 pages, with handsome art cover, is jam full of up-to-date information for all gun-lovers and gives full description of all Marlin repeaters. It's FREE for 2 stamps postage.

## Maxwell Wins

Thrills followed thrills as speeding automobiles shot around the course of the Ingleside Race Course, on April 24th, in the second and final day events of the successful meet promoted by the members of Islam Temple of the Mystic Shrine.

The honors of the day were divided between Barney Oldfield, with his 200 horsepower Benz machine, and C. O. King, with his Maxwell 30 horsepower stock car. Oldfield lowered his previous record of one mile to 51 5-8, which is a new coast record for the circular track. With the exception of this performance, Oldfield had to take second place in the list of racing honors, as the world's champion met defeat in both the five and fifteen mile handicap events, and in both races King and his Maxwell were the victors. In fact, King proved the surprise of the meet, driving all of his races with much judgment and taking the turns with his car as close to the fence as did Oldfield. In the five mile handicap, Oldfield drove his Knox racer to the utmost, but the handicap was too strong and he could not get the lead away from King. Not only in the handicap events did King and his Maxwell prove stars of the first order, but in one of the first events of the day, the five mile race for cars costing from \$1200 to \$1600, which was one of the best matches of the meet.

The time for the five mile handicap was as follows: Maxwell, King, 4:40.30; Oakland, Nelson, 4:48.25; Chalmers, West, 4:49.30; Auto Car, finished fourth, and the Knox car, Barney Oldfield driving, fifth. In the event number eight, ten miles free-for-all handicap, King and his Maxwell again were the winners, the Maxwell's time being 8:19.30.
