

**MOVING WATER FOUNTAIN.**

Monument Will Not Be Erected Immediately at New Location.

Workmen today dismantled and removed the drinking fountain at Elm and Adams. It is eventually to be placed at Sixth and Washington, but not until the nature of the paving to be placed there is determined. The monument was erected by the W. C. T. U. of this city in 1904.

**Do You Like Horses.**

To the lovers of good horses, there are none that will meet your approval so well as those of Campbell Brothers Great Consolidated Shows which are to exhibit in La Grande June 16th. The entire contingent of this show has for a number of years been under the personal supervision of Mr. G. G. Campbell, one of the proprietors. His long and varied experience with horses has served as a means by which he has brought the stable with their show to the highest standard of excellence. The last winter Campbell Brothers bought of Col. W. P. Hall, the largest horse dealer in the world, twenty thousand dollars' worth of horses, among the number being several imported Arabian steeds. Over 200 head of horses now grace their stables, ranging from the Shetland pony to the largest draft horse.

The pride of the stable is "Lucy," a Kentucky-bred saddle mare, grey color. She is supreme in her qualities and gait, having been accorded

first prize at both the Minneapolis and Saint Louis horse shows; being only one in a class of four noted saddlers owned by this show. This department has been turned into a great horse fair; the stables are always open for the inspection of the public, and a special invitation is extended to ladies and children, who are lovers of pets, to visit the horse stable. Remember the grand street parade at 10 a. m.

**Pendleton Switch Engine Wrecked**

An expensive accident occurred in the railroad yards last night when the cafe car of the Spokane train which spends the night here, collided with the switch engine. Both were put out of commission and must be sent to the repair shops in Albina, says the Pendleton East Oregonian.

A few minutes after 12 o'clock the night switch engine crew switched the cafe car onto a side track. A block was placed in front of the wheels to hold the car there while the switch engine backed out and started to come back up the adjoining side track. Hardly had the engine passed the switch when the cafe car came down the track at about 12 miles an hour. The engineer saw the car coming in time to stop but not in time to reverse his engine and the two pieces of railroad equipment came together with a crash which was heard for blocks. The engine will go to Albina.

**Champion Tennis Games.**

Richmond, Va., June 13.—Play commenced today in the sixth annual renewal of the Old Dominion tennis championships and the Hermitage Challenge cup competition at the Hermitage Golf club. The Hermitage challenge cup is now held by R. H. Palmer, of New Jersey, who won it last summer on the Hermitage courts. It has been won twice by Fred H. Pollard, of Richmond, and once each by Richard Hopper, of Massachusetts and R. L. James of Pennsylvania.

**Runaway Nueventful.**

The Royal Bakery delivery wagon participated in an exciting runaway yesterday evening that peculiarly enough passed off with but little damage, and that to the wagon itself. The spurt was made up Adams avenue in, about and between autos and vehicles with clever dodging.
